Twosuns

Transformers Bumblebee 3D Paper Model Twosuns,2017-11-13 Bumblebee is one of the most reliable lieutenants of Optimus Prime. Although he is not the strongest. Bumblebee more than compensates for this with bottomless luck, determination and courage. He would gladly give his life to protect others and stop the Decepticons. Badly damaged in battle, Bumblebee lost the ability to speak verbally, though he can still communicate over inter-Autobot frequencies and with the Autobots' human allies and his friend, Sam Witwicky. Bumblebee would love nothing more than to finally get his voice back someday. As the battles on Earth have raged on and more of their old friends have perished in the fighting, Bumblebee has found himself forced to step up as acting Autobot leader whenever Optimus isn't around.
