Gladiatrix Russell Whitfield,2009-04-14 The Ancient Roman public's hunger for gladiatorial combat has never been greater. The Emperor Domitian's passion for novelty and variety in the arena has given rise to a very different kind of warrior: the Gladiatrix. Sole survivor of a shipwreck off the coast of Asia Minor, Lysandra finds herself the property of Lucius Balbus, owner of the foremost Ludus for female gladiators in the Eastern Empire. Lysandra, a member of an ancient Spartan sect of warrior priestesses, refuses to accept her new status as a slave. Forced to fight for survival, her deadly combat skills win the adoration of the crowds, the respect of Balbus. But Lysandra's Spartan pride also earns her powerful enemies: Sorina, Gladiatrix Prima and leader of the Barbarian faction, and the sadistic Numidian trainer, Nastasen. When plans are laid for the ultimate combat spectacle to honor the visit of the emperor's powerful new emissary, Lysandra must face her greatest and deadliest trial. This is a thrilling first novel that combines fascinating historical detail with blistering action.

If Anything Happens I Love You Will McCormack,Michael

Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a

story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Expressive Anatomy for Comics and Narrative: Principles and Practices from the Legendary Cartoonist Will Eisner,2008-08-17 The final volume of Will Eisner's celebrated instructional trilogy explores the critical principle of body grammar in comics storytelling. Designed and outlined by Will Eisner before his death in 2005, this posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner's own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. From his earliest comics, including the celebrated Spirit, to his pioneering graphic novels, Eisner understood that the proper use of anatomy is crucial to effective storytelling. His control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. Buttressed by dozens of illustrations, which display Eisner's mastery of expression, both subtle and overt, *Expressive Anatomy for Comics and Narrative* will benefit comics fans, students, and teachers and is destined to become the essential primer on the craft.
