Carrie Brown

The Ornaments at the Back of the Tree Shawn MacGregor,Amy Macgregor,2010-09-11 There was a time when Christmas wasn't color coordinated. When ornaments were handed down, and found, and made. The tree became a patchwork history quilt of Christmases past. The Ornaments at the Back of the Tree is a humorous and touching tale of trinkets that come to life as the lights dim. They learn real value doesn't come from your station in life or perceived perfection. The Ornaments at the Back of the Tree is the tale of a small, wooden soldier who learns that his view of himself has been greatly distorted by the reflection he sees in the other ornaments. The wise, old partridge sees things in the soldier that he cannot see in himself. When Christmas appears to be on the verge of ruin, the friendship forged between these two characters has the power to change not only the soldier, but everything.

Tree of Treasures Bonnie Mackay,2016-09-27 A beautifully illustrated look at Christmas ornaments and the memories they hold on our trees First highlighted in the New York Times, Bonnie Mackay's annual Christmas tree showcases a lifetime collecting almost 3,000 ornaments. Now, through beautiful photography and illuminating vignettes, Tree of Treasures shares the heartfelt stories behind a hundred of those cherished possessions, whether it's the story of a family member, like Mackay's grandfather, a well-known vaudeville performer; long-held relationships with friends and colleagues in the international community of Christmas crafts makers; a memory of a beloved pet; and much more. From serene lace angels and vintage Santas, to exquisite glass-blown spheres and small silk purses, Tree of Treasures showcases ornaments both beautiful and well-loved, illuminating how ornaments, as we unpack and hang them each holiday season, tell the story of our lives.

Christmas Ornaments Carolyn Vosburg-Hall,2011-01-15 Christmas is a festive time of the year, and one fun way to celebrate is to decorate! Author Carolyn Vosburg Hall presents 25 projects for beautiful and decorative ornaments to adorn Christmas trees and the home for the holiday season. Each project includes detailed, step-by-step instructions, as well as colorful photographs. The ornaments can be made using common craft supplies such as polymer clay, paper, embroidery floss, beads, and glue, and are suitable for all skill levels. • 25 unique and decorative ideas for Christmas ornaments • Detailed, step-by-step instructions • Suitable for all skill levels

Handmade Christmas Ornaments Jane Johnston (Crafts designer),2004 When the Christmas season arrives nothing is more fun than making your own ornaments, and nothing is more thoughtful than giving a handmade ornament to a friend or family member. Let Handmade ornament help you create delightful ornaments for any tree that will be treasured for years to come.

Every Ornament Has Its Place Vincent Verrico,2014-07-30 Every Ornament Has Its Place is a story that celebrates our love of our favorite Christmas ornaments and explores what happens when an eight-year-old boy, Matt, can't find his the night the Christmas tree is brought into his home. What Matt learns is that he believes in Christmas spirit and that it is better to give than to receive. Then the big moment finally arrives. My dad says 'I believe that's the last box, boys. You can start now.' My brothers quickly and enthusiastically open the boxes, and they reveal beautiful and homemade and new and old and odd and favorite ornaments. The boys quickly grab the ornaments, except no one notices me searching frantically for the mouse in the rocket ship. Where is he? Where is he? Where is he? Where is he? I think over and over as I frantically search.

Celebrating Christmas Ornaments Nina Chertoff,Susan Kahn,2006-10 They sparkle, they shine--they light up the tree and the eyes of all who look upon them: therein lies the beauty of Christmas ornaments. Across these pages in richly detailed photographs are a merrily glistening array of some of the most

creative, clever, and exquisite ornaments ever produced. A lively introduction explains the tradition of decorating trees, and gives the history of ornaments from the first commercially marketed ones (made possible by a new glass-blowing process) to the silver balls and garlands produced by newly arrived immigrants to the United States to modern designs fashioned out of Styrofoam and satin. The authors also look at some homemade treasures, including designs on paper and food-based decorations such as cookies, pretzels, and marzipan.

Treasures for the Christmas Tree Carol Taylor, 2002 Deck the tree with homemade ornaments—pomanders, potpourris, buttons and bows, paint, glitter, and glue and edibles, too. And every one will make you feel part of a centuries-old tradition of holiday crafting. Fashion fragrant herb balls made of bay leaves, lavender, sassafras, and rose petals, and enjoy their lovely perfume mingled with evergreen. Added gems: tiny quilts, “Wild West” trinkets, papier-mâché birds, and more.

The Little Christmas Ornament Sharon Contillo, 2014-09-09 Imagine a mysterious world inside a real Christmas tree where the ornaments, tree and lights come to life! The Little Christmas Ornament is an exciting adventure about the secret lives of Christmas ornaments. But it's no secret that all ornaments anxiously await that big day every year when they'll hang on the Christmas tree. And if they're lucky, they'll get to hang front and center. After all, the sole purpose of an ornament is to be seen so it can bring Christmas spirit to its family. When the mom's beloved childhood ornament, Lo, is forced from the most coveted front and center spot on the tree by a crass, trendy ornament, Holly, things turn very badly for Lo. Once the leader of the tree, with old outdated ways, she is now banished to deepest darkest places within it. Lo tries to rally her allies to overtake Holly and regain her spot. But their bickering and infighting has caused more chaos and crowding on the tree, frustrating the Dad with relentless upkeep. He plots to throw out all the ornaments, twisted lights and real tree in favor of a steely, soulless metal tree that doesn't require any fuss or bother. The ornaments' only hope for survival is to win the neighborhood Christmas tree contest. But the rivalry between Lo and Holly spoils everything, leaving the tree in shambles just as the guests arrive to cast their votes on Christmas Eve. Exasperated, the Dad tosses the real tree and ornaments to the curb, replacing it with the spiritless metal tree that eerily rotates and squeaks in the corner of the room. Lo and Holly find themselves stranded outside and separated from the other ornaments. They are forced to team up to find their way home and get the real tree and ornaments back in the house in time for Christmas morning to bring Christmas spirit back to their family.

The Last Ornament Judith Vicary Swisher, 2010-04 Christopher and Noelle almost lose one of their favorite ornaments when it remains hidden in the Christmas tree branches and is thrown out with the old tree.

The New Christmas Tree Carrie Brown, 2015-10-06 This Christmas, consider everyday objects from a new point of view, embrace a fresh color palette, or give your children's handmade ornaments or special family heirlooms a new life. The inspiration is endless here, with one-of-a-kind trees that celebrate food, nature, fashion, folk art, typography, color, and art history. Each spectacular design is easily replicated, with step-by-step instructions for crafting coordinating ornaments, garlands, and toppers, plus advice on selecting the right tree, choosing lights, and more. Whether you have space for a towering fir or a sweet tabletop creation, whether your taste skews modern or traditional, quirky or sophisticated, there's something for everyone!

The Christmas Tree James Hewitt,2007-09 This book's creation was done by chance. A group of my co-workers were discussing Christmas and why decorations, trees, and other customs are practiced. Have you ever wondered the same? One question was regarding the Christmas tree. Where did the idea originate? Whom might be responsible for the tradition? Was a person responsible for the tree or was it a cultural phenomena that grew. I am going to ask you to think back to your first memory of Christmas. It probably includes a memory of a decorated and brightly lit tree surrounded by colorfully wrapped presents. A smile always can be seen on even the most selfish and bitter person when viewing a well designed Christmas tree.
