

2010 Ukranian Easter Egg Pysanka

Kristin G. Congdon,Kara Kelley Hallmark

Dzvinya's Gift for Mama Dzvinka Hayda,2023-05-02 Spring has arrived in Ukraine, with all its beauty. Soon it will be Easter. This year, Dzvinya wants to surprise her Mama with an extra special gift so she goes outside to see what she can find. When she spies a speckled hen sitting on her eggs, Dzvinya remembers how her dear babtsya (grandmother) decorated eggs for her Easter basket. She gingerly picks up an egg and carries it home. That night she dreams of little critters magically floating in the dark sky. At the break of dawn, with great determination, she begins decorating the egg and transforms it in a pysanka. Not only will she surprise her Mama with her special gift, but Mama has a surprise for Dzvinya. This precious and richly illustrated picture book depicts the age-old pysanky traditions practiced by Ukrainian people throughout the world. The story also offers readers an opportunity to experience a child's deep love for her Mama. Children will be charmed by this tender story and artwork inspired by Ukrainian culture Kirkus ReviewDzvinka Hayda has woven an enchanting tale with lovely illustrations that colorfully portray the ancient and beautiful traditions of Ukrainian EasterKateryna Yushchenko, First Lady of Ukraine (2005-2010)

The Story of Pysanka: A Collection of Articles on Ukrainian Easter Eggs Vasyl Horlenko,Volodymyr Yastrebov,2019-03 The Story of Pysanka. A Collection of Articles on Ukrainian Easter Eggs. What do Egyptian Kneph and Ptah, Māori Tangaroa and Finnish Ilmatar have in common? Why are cross, meander and swastika associated with some cultures' Easter egg? What is the difference between the two most popular types of Ukrainian Easter egg, pysanka and krashanka? What message could one pass with a pysanka? Can a pysanka protect your family and ward off evil powers? Answers to these and some other questions can be found in this book. The Story of Pysanka consists of articles written by Ukrainian ethnographers in the 19th century. This is their first translation into English. Contemporary pysanky expert, Pavlo Rybalko, wrote the foreword. An extensive bibliography, glossary and index are included, as well as black and white illustrations. Who would have thought that Easter eggs could be a topic of one's Doctoral Dissertation? Well, indeed, it was, and not once. As they say, 'ab ovo' ☺. The Story of Pysanka is the first book in Sova Books' Ukrainian Scholar Library series. It will be followed by publications on Ukrainian Spells, Ukrainian Herbal Medicine, Ukrainian Mythology and others. About the Series: Sova Books' Ukrainian Scholar Library offers works written by Ukrainian intellectuals on various subjects. Let it be History, Folk Music and Lore, Literary Studies, Religion or Politics - these subjects and hopefully more with time will be covered by the series. The works span several centuries and most have Ukraine as their main or starting point of discussion. Whether you are a scholar or not, you may find the answers to what you are looking for in your quest of knowledge in these books.

Winterkill Marsha Forchuk Skrypuch,2022-09-06 From acclaimed author Marsha Forchuk Skrypuch, this incredibly gripping and timely story set during the Holodomor in 1930s Ukraine introduces young readers to a pivotal moment in history-- and how it relates to the events of today. Nyl is just trying to stay alive. Ever since the Soviet dictator, Stalin, started to take control of farms like the one Nyl's family lives on, there is less and less food to go around. On top of bad harvests and a harsh winter, conditions worsen until it's clear the lack of food is not just chance... but a murderous plan leading all the way to Stalin. Alice has recently arrived from Canada with her father, who is here to work for the Soviets... until Alice realizes that the people suffering the most are all ethnically Ukrainian, like Nyl. Something is very wrong, and Alice is determined to help. Desperate, Nyl and Alice come up with an audacious plan that could save both of them -- and their community. But can they survive long enough to succeed? Known as the Holodomor, or death by starvation, Ukraine's Famine-Genocide in the 1930s was deliberately caused by the Soviets to erase the Ukrainian people and culture. Marsha Forchuk Skrypuch brings this deeply resonant, and remarkably timely, historical world to life in a story about unity, perseverance, and a people's determination to overcome.

PYSANKA (THE ART OF UKRAINIAN EASTER EGGS) Ellen Kucherik,Mary Bain,2016-01-01 Transform the simple egg into a work of art. This Pysanka Unit is dedicated to all who are adventurous and interested in sharing new learning experiences. This package contains a description of the craft, teacher input and suggestions, and primary and junior student booklets.

Pysanka : the Ukrainian Easter Egg G. (Georgina) Kucherik,Kucherik, Ellen,Bain, Mary,K. (Keith) MacDonald,1986

The Ukraïnian Folk Pysanka Vira Man'ko,2005

The Magic Babushka Phyllis Limbacher Tildes,2009 A gentle, nearsighted peasant girl rescues the legendary Baba Babochka and is rewarded with a magic babushka that enables her to create beautiful pysanky, or decorated eggs.

Egg: A Dozen Ovatures Lizzie Stark,2023-03-28 “Endlessly surprising.... Like the egg itself, this book is a perfect, miraculous package.” —Mary Roach, best-selling author of *Fuzz* An unconventional history of the world’s largest cellular workhorse, from chickens to penguins, from art to crime, and more. The egg is a paradox—both alive and not alive—and a symbol as old as culture itself. In this wide-ranging and delightful journey through its natural and cultural history, Lizzie Stark explores the egg’s deep meanings, innumerable uses, and metabolic importance through a dozen dazzling specimens. From Mali to Finland, mythologies around the globe have invested the egg with powers of regeneration and fecundity, often ascribing the origin of the world to a cosmic egg. An oracle to Romans, fought over by Gold Rush gangs, used as the foundation of the Clown Egg Registry, and blasted into space, the egg has taken on larger proportions than, say, the ovum of an ostrich. It has starred in global dishes from the Korean comfort food *ttukbaegi gyeranjjim* to the less regaled yet iconic soft-boiled egg. Stark writes a biography of French-born chef Jacques Pépin through his egg creations, and weaves in her personal experiences, like attempting to make the perfect omelet or trying her hand at pysanky—the Ukrainian art of egg decoration. She also explores her fraught relationship to the eggs in her body due to a familial link to cancer, and shares her delight in becoming a mother. Filled with colorful characters and fascinating morsels, *Egg* is playful, informative, and guarantees that you’ll never take this delicate ovoid for granted again.

Decorating Eggs Jane Pollak,2014-06-28 Shows how to decorate eggs with exquisite designs, intricate details, and gemlike colors, from classic quilt patterns to traditional Ukrainian Easter eggs.

Pysanka : Easter Egg Art Nakonechny, Joan,197?

Pysanky Patterns and Designs Gail Parsons,Emily Vieyra,2009-06-04 The art of decorating eggs has a Ukrainian history long antedating Christianity, but has become associated with Easter, when adults and children indulge their love of design and colour in spectacular painted eggs. The designs reproduced in this book are described in detail, creating a veritable pysanky design encyclopaedia by explaining and illustrating the fascinating symbolism of each traditional motif. Pysanky gift eggs can be made for newlyweds, for those embarking on new careers, for anyone in need of solace, for birthdays and anniversaries, and other occasions. With this exciting addition to the International Design Library Series, everyone can learn the creative arts and skills of this well-loved traditional craft.

Ukrainians of Metropolitan Detroit Nancy Karen Wichar,2010-02-08 Ukrainians have contributed to the diverse ethnic tapestry in Detroit since the arrival of the first Ukrainian immigrants in the late 1800s. Bringing their history, culture, and determination to achieve, they established a foundation for the resilient community that would continue to emerge during the decades to come. Ukrainian neighborhoods formed on both the east and west sides of the city. This is where they constructed the churches, schools, cultural centers, and financial institutions that would allow them to maintain their cherished ethnic identity while integrating into the American way of life. This book is a pictorial history of the people and events that created a community that would come to be known as the Ukrainians of metropolitan Detroit.

Ukrainian Design Book ,1986

The Spider's Gift ,2010 Although Katrusya's family cannot afford to celebrate Christmas, they cut a small pine tree in the forest, decorate it with buttons, and when baby spiders hatch in its branches, they especially enjoy the silvery webs that appear.

The Silence of Trees Valya Dudycz Lupescu,2010 Nadya, the astonishing matriarch, war survivor, and narrator, weaves a remarkable life centered on fate, love, luck and choice while honoring the ghosts of her past.

American Folk Art [2 volumes] Kristin G. Congdon,Kara Kelley Hallmark,2012-03-19 Folk art is as varied as it is indicative of person and place, informed by innovation and grounded in cultural context. The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays. American Folk Art: A Regional Reference offers a collection of fascinating essays on the life and work of 300 individual artists. Some of the men and women profiled in these two volumes are well known, while others are important practitioners who have yet to receive the notice they merit. Because many of the artists in both categories have a clear identity with their land and culture, the work is organized by geographical region and includes an essay on each region to help make connections visible. There is also an introductory essay on U.S. folk art as a whole. Those writing about folk art to date tend to view each artist as either traditional or innovative. One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits; they are grounded in their cultural context and creative in the way they make work their own. Such insights expand the study of folk art even as they readjust readers' understanding of who folk artists are.

Easter Eggs for Anya Virginia Kroll,2010-05-11 This Traditions of Faith book features a unique Ukrainian Celebration of New Life in Christ—the coloring and exchange of pysanky eggs at Eastertime. Children love coloring Easter eggs. Easter Eggs for Anya is a story to explain one of the origins of this tradition. In early nineteenth-century Ukraine, Christians celebrated Easter by exchanging colorful, hand-decorated pysanky eggs—but with Papa away at the war and Mama struggling to make ends meet, Anya’s family was too poor to buy eggs to decorate. That is, until Anya discovered an abandoned nest of goose eggs and began planning an Easter surprise. But God had an even better surprise in store, and when the eggs unexpectedly began to hatch, Anya learned what the Easter story teaches: spring brings gifts of myriad new beginnings, just as the risen Christ gave the gift of new life to us all. This book features a note about the origin and history of the tradition and offers family ideas and activities. Easter Eggs for Anya: Part of the Traditions of Faith Around the World series Offers family-friendly activities for the holiday Full-color illustrations Factual information about the Ukrainian Easter tradition

Decoding **2010 Ukranian Easter Egg Pysanka**: Revealing the Captivating Potential of Verbal Expression
