And bringing over his family-dozens and dozens of frogs! Rabbit has finally had enough; Froggie will have to go! **The Game of Love and Death** Martha Brockenbrough,2015-04-28 In this “inventive and affecting” historical young adult novel, a black girl and a white boy are pawns in a magical game between Love and Death (Publishers Weekly). Flora and Henry were born a few blocks from each other, innocent of the forces that might keep a white boy and an African American girl apart; years later they meet again and their mutual love of music sparks an even more powerful connection. But what Flora and Henry don't know is that they are pawns in a game played by the eternal adversaries Love and Death, here brilliantly reimagined as two extremely sympathetic and fascinating characters. Can their hearts and their wills overcome not only their earthly circumstances, but forces that have battled throughout history? In the rainy Seattle of the 1920's, romance blooms among the jazz clubs, the mansions of the wealthy, and the shanty towns of the poor. But what is more powerful: love? Or death? “Race, class, fate and choice—they join Love and Death to play their parts in Brockenbrough's haunting and masterfully orchestrated narrative.” —Kirkus Reviews

**Ali Cavanaugh** Ali Cavanaugh,2019 Modern Fresco Paintings is the first collection of Ali Cavanaugh's paintings, and it follows her entire career using watercolor on kaolin clay to create her modern fresco technique and the lovely work that flows from it. Beginning with her hyper-realistic portraits and ending with her latest, more free-flowing pictures, her use of light, color, and the human form captures the essence of other models and their forms and feelings in a particular moment. Cavanaugh's artistic sensibility was developed by two important events in her childhood. Her dependence on the

visualworld began when she lost much of her hearing through spinal meningitis whenshe was two, and her creative spirit developed out of her being raised in a ruralenvironment where she had to create her own ways of expressing herself and makingher own fun. She developed her stunningmodern fresco medium almost by accident as she was learning to apply the outerlayer of plaster to her home in Santa Fe, New Mexico. Since that time thisvolume illustrates her growth as an artist and her mastery of the technique. These are lovely works, paintedmasterfully. Both long-time followers of Cavanaugh's work---from the earliest SockArms paintings to those who found her through more recent work like the Chroma series---and those who are discoveringher and her art for the first time, will be delighted by this collection.
