Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Animal Abecedary Leslie Haines,2018-09-28 This original animal alphabet series with its sophisticated imagery was created to appeal to adults but children delight in it as well. The book explores unusual imagery juxtapositions pairing alphabet letters with animals and unexpected objects beginning with that same letter. The series started when artist Leslie Haines discovered a human-faced walrus in an old engraving book. She was so

drawn to that image that she felt inspired to create a visual story with the walrus as the central figure. The cicada-carrying cat was next, and from there, the rest of the alphabet was not far behind. Letterpress type, vintage engravings, original drawings, found objects, photography, and old book pages all mix together in collages that reveal original, inventive, and humorous scenarios. Animal Abecedary is truly a one-of-a-kind alphabet book that will bring hours of enjoyment and discovery to all ages.
