Tattoos featured will range from traditional tebori (hand-poked) and kanji tattoos to anime-inspired and modern works—as well as everything in between. For the first time, Japanese tattooing will be put together in a visually attractive, informative, and authoritative way. Along with the 350+ photos of tattoos, Japanese Tattoos will also feature interviews with Japanese tattoo artists on a variety of topics. What's more, there will be interviews with clients, who are typically
