Mighty Morphin Power Rangers #25 Kyle Higgins, 2018-05-11 Drakkon returns and the Mighty Morphin Power Rangers will never be the same. The "SHATTERED GRID" event begins here!

Saban's Power Rangers: Soul of the Dragon Kyle Higgins, 2018-12-11 When Tommy Oliver's son goes missing, he comes out of retirement to find him. It's been a long time since Tommy Oliver has served as a Power Ranger. He's defeated space witches, brought down evil armies, protected the galaxy, but now Tommy leaves protecting the world to the Power Rangers at Space Patrol Delta. But when his son goes missing, it's up to Tommy to discover a secret in his past, in order to save his future. Now Tommy will call on all his training, his friends, and maybe even some of his enemies as he sets out on his most important mission: find his son and bring him home.

Acclaimed writer Kyle Higgins (Mighty Morphin Power Rangers, Nightwing), artist Giuseppe Cafaro (Justice League vs Suicide Squad) and special consultant Jason David Frank (Mighty Morphin Power Rangers TV series) present a powerful next chapter for Tommy Oliver, one of the most iconic Power Rangers in history.

Chōshū in the Meiji Restoration Albert M. Craig, 2000 When Commodore Perry arrived in Japan to open the country to Western trade in 1853, he found a medieval amalgam of sword-bearing samurai, castle towns, Confucian academies, peasant villages, rice paddies, upstart merchants, bath houses, and Kabuki. Fifteen years later, Japan was on its way to becoming the only non-Western nation in the nineteenth century with a modern centralized bureaucratic state and industrial economy. This book is a study of the Meiji Restoration that changed the face of Japan. Prominent historian Albert M. Craig tells its story through that of the domain of Choshu-whose role in the formation of modern Japan was not unlike that of Prussia in Germany-during the fifteen crucial years between 1853 and 1868. Whereas previous studies have stressed the role of discontented lower samurai and frustrated rich merchants and peasants in this transition, claiming that they provided the motive power behind the political movements of the Restoration period, this work sharply challenges these earlier interpretations. Craig instead emphasizes the vitality of traditional values in Japan's early reaction to the West and foregrounds the critical contribution of the old society to the formation

of the new Meiji state. Choshu in the Meiji Restoration is a seminal work for scholars and students of Japanese history.

Mighty Morphin Power Rangers #26 Kyle Higgins, Ryan Ferrier, 2018-05-02 After the shocking events of the last issue, Lord Drakkon's victory seems assured—unless the Rangers can find a way to team up with another team of Power Rangers they've never met before!
