

Hearse

Laura Bradford

DAD, CAN I BORROW THE HEARSE? Thomas J. Van Kula, 2021-10-07 Located within the boundaries of one of the East Side of Detroit's bluest of blue collar neighborhoods, 9074 St. Cyril Avenue served a dual purpose - funeral home and family residence. Occupying the first floor of the impressive yellow bricked structure from 1942 until 1978 was the Van Kula Funeral Home - the second floor I called home. For over four decades I was associated with death and dying on an almost daily occurrence. Residing over a funeral home with five siblings added to the plenitude of memories - poignant, humorous and enduring. As an observer and eventual practitioner of one of the world's oldest professions, I have borne witness to human nature under the most demanding of emotional circumstances. In DAD, CAN I BORROW THE HEARSE? I have attempted to present a summary of events as they related to me - The Funeral Director's Kid.

Hearse of a Different Color Tim Cockey, 2002-04-01 Hitchcock Sewell, Baltimore's hippest undertaker and civilian sleuth, is back in a second sly, original mystery. One of the most charming and offbeat amateur detectives to come around in years, Hitchcock Sewell does for the undertaking profession what Marilyn Monroe did for the ukulele--gives it a touch of class. In this rollicking follow-up to Tim Cockey's witty, punchy, snappy, well-written, and dang funny debut (Harlan Coben, author of The Final Detail), a surprise blizzard dumps more than snow on the steps of Sewell & Sons funeral home--it leaves

behind the corpse of a murdered waitress as well. Hitch's television meteorologist girlfriend sees the crime as an opportunity to move into hard news. Her unctuous mentor wants to beat Hitch to the punch. Hitch's snooping takes him from low-life strip joints to high-tone mansions, proving yet again that undertakers and their clue-happy cohorts can be a pretty lively bunch.

Headed for a Hearse Jonathan Latimer, 2014-08-26
Just days from meeting the reaper, a convicted murderer hires Chicago's most hard-boiled PI to save his neck—before the executioner can claim it Robert Westland's death is just around the corner when he finally decides to fight the murder rap that's sending him to the electric chair. Fingered for his wife's grisly demise, Westland is in a bind, and his last hope is Bill Crane, a booze-soaked detective who's as ruthless with a quip as he is when trawling the streets for Chicago's most brutal criminal element. Crane's got just a few days to suss out the real killer—someone clever enough to off Westland's wife and lock her in a room whose only key belongs to Westland himself. Fueled by an abundance of liquor and a habit of bad manners, Crane sets his sights on a cast of oddball characters among whom hides a murderer. But in 1930s Chicago, everyone's got a secret, and the pressure is on for Crane to separate the dangerous from the truly homicidal before it's too late.

The Hearse You Came in On Tim Cockey, 2002-04-01
What self-respecting undertaker would allow himself to get involved in a murder investigation, a series of dirty videos, a case of political

blackmail, and police corruption, as well as one of the worst amateur theater productions in recent memory? None, unless your name happens to be Hitchcock Sewell, the most charming suspense hero to come along in years. And who knew an undertaker could look so good? In this fast-paced and enormously entertaining mystery, Hitch has gotten himself into more trouble than any self-respecting undertaker should.

Murder in the Hearse Degree Tim

Cockey, 2003-02-01 Libby, a former flame of Hitchcock Sewell, has returned to town with her two children, but minus one husband and one nanny. Libby's husband has been accounted for -- she left him back in Annapolis. However, the nanny, Sophie, is truly missing. As soon as Hitch starts to nose around, Sophie turns up -- literally -- in the Severn River. She's quite dead, and just a little bit pregnant. The police suspect suicide, but Sophie's mom is adamant it's murder. Hitch's sense: He sides with the mother. Racing around town, Hitch finds more questions than answers. *Murder in the Hearse Degree* is another pitch-perfect mystery in a series that never disappoints, always surprises, and keeps the laughs -- and corpses -- rolling right along.

The Convertible Hearse William Campbell

Gault, 2012-02-15 Now who would kill a used-car salesman? In a city like L.A., Brock Callahan figures there's about a million suspects--each with a motive. Nevertheless, the former gridiron star turned private eye is hired by the widow to find out just who killed the one and only Loony Leo Dunbar. It seems someone offered the king of the

dubious deal as he was sitting in the front seat of his Lincoln. And now Brock "the Rock" is looking for Loony Leo's killer. It's not easy work; Brock's got to go through a bevy of Leo's girlfriends and seedy associates on a trail that leads into the sleaziest side of the used-car business he's ever seen ...

Cart Before the Hearse Roger ORMEROD,1997

All Aboard the Marriage Hearse Matt Morillo,2008
A play. After nearly three years together, Amy wants to get married but Sean does not believe in the institution. The game is on!!! Tonight is the night when they will settle the marriage question once and for all.

The Zebra-Striped Hearse Ross Macdonald,2011-02-16
Strictly speaking, Lew Archer is only supposed to dig up the dirt on a rich man's suspicious soon-to-be son-in-law. But in no time at all Archer is following a trail of corpses from the citrus belt to Mazatlan. And then there is the zebra-striped hearse and its crew of beautiful, sunburned surfers, whose path seems to keep crossing the son-in-law's—and Archer's—in a powerful, fast-paced novel of murder on the California coast.

The View from a Hearse Joseph Bayly,1969

Hearse and Gardens Kathleen Bridge,2016-05-03
To keep her mind off the legal battle over the oceanfront cottage she's trying to buy, Meg agrees to help her friend inventory and clear out furniture from the Montauk estate of wealthy art broker, Harrison Falks. But the job takes a terrifying turn when Meg discovers a skeleton in a hidden room of one of the estate's many bungalows.

Pardon My Hearse Allan Abbot,Greg

Abbott,2015-06-15 Even celebrities die—and he was the man who picked up the bodies! Allan Abbott ran the leading hearse, mortuary, and funeral services company in Hollywood and got an unprecedented glimpse of how celebrities really live and die. The Forrest Gump of the funeral industry, Abbott was everywhere celebrities died, from helping to prepare Marilyn Monroe's body for burial to standing next to Christopher Walken at Natalie Wood's funeral. Now in his memoir "Pardon My Hearse," Abbott tells the rags-to-shroud story of how we went from a young man with a hearse to the funeral driver to the stars—a rollicking, unexpectedly hilarious story of glamorous funerals, mishaps with corpses, and true-life glimpses of celebrities at their most revealing moments. "Pardon My Hearse" is an eye-opening look at secret Hollywood from the man who literally knows where the bodies are buried.

Have You Ever Seen a Hearse Pulling a Trailer?

Rev. James W. Moore,2010-11-01 You know the old saying, You can't take it with you when you go. So instead of putting our faith in material things that we can acquire, let's put our faith in God and focus on the things in life that money can't buy.

My Mother in Law ... the Hearse! Otto

Baron,2012-05-24 Poor Sam Franck. He has the mother in law from Hell -literally. During the Funeral for Sams Mother in Law Clarice, Sam thinks his troubles with her will soon be six feet under. But you cant keep a bad girl down, especially when she steals the heart of the prince of darkness.

Soon to his great fear, Sams mother in law is back-as a hearse. Can Sam find a way to send his Mother in law back to her new lovers domain, before she can drag him down with her?

The Hearse Henry Clement,1980

The Hearse Case Scenario Tim Cockey,2002-02-06
An undertaker-detective you'll really dig (People)
-- Hitchcock Sewell is once again cruising for trouble. It's no wonder that Publishers Weekly raved about Tim Cockey's second novel, *Hearse of a Different Color*, calling it highly entertaining and well written in a starred review. Or that Janet Evanovich called his first book, *The Hearse You Came In On*, a fun and frantic ride. Cockey's irresistible hero, Hitchcock Sewell, is fast establishing himself as the most charming -- and good-looking -- undertaker ever to solve a mystery and get beat up in the process. Cockey's new novel finds Hitch up to his ears in murders, and the latest clues point to a Baltimore nightclub. Following his nose, Hitch uncovers a host of nefarious goings-on as well as some downright strange characters, including a felonious artist, a Miles Davis wanna-be, an Ida Lupino look-alike, and one very irritated dance instructor. Put them all together, throw in a bag full of cash and an incriminating Polaroid, and you have another surefire, humor-laced hit from one of the freshest voices writing in the mystery world today.

Hearse and Buggy Laura Bradford,2012-06-05
The simple life gets complicated when death comes calling in the first novel in the national bestselling Amish Mystery series. Claire Weatherly has fled a high-stress lifestyle for a slower

pace—in Amish country: Heavenly, Pennsylvania. She only planned a short visit but instead found herself opening an Amish specialty shop, Heavenly Treasures, and settling in. Claire loves her new home, and she's slowly making friends among the locals, including Esther, a young Amish woman who works in the shop. So when the store's former owner, the unlikable Walter Snow, is murdered, and the man Esther is sweet on becomes a suspect, Claire can't help but get involved. Newly returned Detective Jakob Fisher, who left Heavenly—and his Amish upbringing—as a teenager, is on the case. But his investigation is stalled by the fact that none of his former community will speak with him. Claire's connections make her the perfect go-between. As Claire investigates, she uncovers more than she wanted to know about her neighbors. And suddenly, everything she had hoped to find in this peaceful refuge is at risk...

The Trojan Hearse Richard S. Prather, 2014-04-01
A pop star's death puts Los Angeles PI Shell Scott on the hit list in the mystery series with more than 40 million copies in print. With a national election going on, Shell Scott's timing might have been less than perfect. Perhaps he did prevent the victory for the shoo-in candidate, but a lot of strange things were happening. There was Polly Plank, whom he encountered in her psychiatrist's office in her birthday suit. What about the American singing idol Johnny Tray, who turned up dead? And of course Joe Rice, leader of the West's underworld, who wanted Shell under the world too—six feet under. The Trojan Hearse is the 28th book in the Shell Scott Mysteries, but you may

enjoy reading the series in any order.

Chapter & Hearse Lorna Barrett, 2010-08-03

Mystery bookstore owner Tricia Miles has been spending more time solving whodunits than reading them. Now a nearby gas explosion has injured Tricia's sister's boyfriend, Bob Kelly, the head of the Chamber of Commerce, and killed the owner of the town's history bookstore. Tricia's never been a fan of Bob, but when she reads that he's being tight-lipped about the accident, it's time to take action.

The Marriage Hearse Larry Duberstein, 2015-04-14

At 5 P.M. on a snowy night, Maurice Locksley, sometime literary stud, stops off at a Boston pub and there, with a glass of beer, launches a 10 1/2 hour journey into the riskier regions of the heart. First he's off to dinner with his wife and 4-year-old son . . . then on to an evening in the suburbs, where his ex-wife and teenage children wait . . . and then back to town for a post midnight tryst with Maggie, his exuberant young mistress. Maurice, at forty, is poised on the brink of adventures yet untaken, but where he wanders may put him at risk, caught between the rock and hard places of love.

This is likewise one of the factors by obtaining the soft documents of this **Hearse** by online. You might not require more mature to spend to go to the book foundation as capably as search for them. In some cases, you likewise get not discover the proclamation Hearse that you are looking for. It will totally squander the time.

wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hearse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hearse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional

purposes. By accessing Hearse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hearse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject

Hearse Introduction

In today's digital age, the availability of Hearse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a

imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hearse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hearse books and manuals is Open Library. Open Library is an initiative of the Internet

Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that

provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, Hearse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and

manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hearse books and manuals for download and embark on your journey of knowledge?

FAQs About Hearse Books

1. Where can I buy Hearse books? Bookstores

: Physical bookstores like Barnes & Noble, Waterstone s, and independent local stores. Online Retailers: Amazon, Book Depository , and various online bookstores offer a wide range of books in physical and digital formats.
