Music of the Sirens Linda Austern,Inna Naroditskaya,2006-07-21 Whether referred to as mermaid, usalka, mami wata, or by some other name, and whether considered an imaginary being or merely a person with extraordinary abilities, the siren is the remarkable creature that has inspired music and its representations from ancient Greece to present-day Africa and Latin America. This book, co-edited by a historical musicologist and an ethnomusicologist, brings together leading scholars and some talented newcomers in classics, music, media studies, literature, and cultural studies to consider the siren and her multifaceted relationships to music across human time and geography.

Faith Is Not a Feeling Ney Bailey,2009-05-20 In 1976 the Big Thompson River flood in Colorado took 150 lives, including those of seven women on staff with Campus Crusade for Christ International. Deeply grieved by the loss, survivor Ney Bailey embraced a journey of faith that led her to a life-changing truth: No matter how things look and no matter how we feel, God is in control. In Faith is Not a Feeling, Ney reveals how life’s tragedies and challenges lead each of us to an important decision about how we will relate to God. Building on a foundation of experiences all believers can relate to, this well-loved speaker and teacher shows how you can take advantage of the endless opportunities life provided to deepen your trust in the Lord. Faith is Not a Feeling has taught hundreds of thousands of people how to choose to believe God’s promises over their own personal feelings. Now you, too, can discover the secrets that will allow you to face painful experiences with a measure of objectivity, use your feelings to take you to God, and experience true peace in the midst of failure and trials. Best of all, you will learn how to obediently and confidently take God at His word as you never have before.
