Stink-Eye And Other Stories Tom Smario, 2023-08-29 Step into the wild world of Tom Smario in this unforgettable short story collection that will make you laugh, cry, feel anger or delight, and more. In this impactful collection of nineteen short stories, you'll encounter everyday people living through extraordinary experiences. Centered around the blue-collar workers who keep the engine of society well-oiled, each tale is grounded in lifelike realism. Designed to evoke distinct and powerful reactions, these stories will make readers laugh out loud, feel a deep sense of melancholy, or boil with anger at injustice. You'll encounter lovable characters that you'll cheer on toward their dreams, and others that cause you to shake your head in disbelief-each of them well-crafted and fully developed. Writing in a strong prose, Smario strives to defy the robotic drone that many realistic fiction collections take, instead opting for strong voice and colorful vocabulary. Regardless of each story's tone, every tale in this collection is easy to read, entertaining, and full of vibrant, creative use of the written word. What's more, they'll leave you thinking about the world in entirely new ways, thanks to the novel-but deeply human-events and experiences Smario uncovers. **Stink-Eye And Other Stories** is available for purchase now.

A Simple Love Story Between a Boy and a Boy Melisa Mel, 2016-01-29 The passing of same-sex marriage in the USA by the Supreme Court in 2015 was pivotal in bringing about awareness of diversity in the family structure. Society now faces the challenge of transitioning their perception from traditional family models to what our modern family models look like today. We need tools to educate people on diversity while simultaneously aiming to open minds and hearts. A Simple Love Story Between a Boy and a Boy narrates the endearing love story between Gabe and Mario. As a loving couple, they lived together secretly through the Don't ask. Don't tell. military times and then lived together openly after this was repealed in 2011. They lived together as a married couple through the times when same-sex marriage was banned and then lived together as a married couple after 2015 when the Supreme Court passed the new laws allowing same-sex marriage. Together they bravely faced the challenges of going through the process of adopting their children as a gay couple. Both characters give us a glimpse into how many struggles there are in same-sex relationships and how much harder those couples have to work to find acceptance in a close-minded society. The story unfolds in a simple manner and covers basic historical LGBT related facts. Its simplicity reflects in its verbiage and its illustrations. The story is

appropriate for all ages and all peoples. Parents and educators will find it extremely child friendly and enlightening.

The Hidden Truth about the End Times Sal Smario,2006-05 This is the story of how David Brown, along with two partners, started a small software company and grew it to \$13 million in annual sales and over 100 employees. The book is not about business, it is about people. It is about how three young rag-tag twenty-somethings could conceive and run a company in a non-traditional way, providing focus on employees and customers, not on the business and profits. Yet, they became highly successful at all the things they didn't set out to do and had a lot of fun along the way.
