Humans of New York: Stories Brandon Stanton, 2020-10-06 The #1 New York Times Bestseller! With over 500 vibrant, full-color photos, *Humans of New York: Stories* is an insightful and inspiring collection of portraits of the lives of New Yorkers. *Humans of New York: Stories* is the culmination of five years of innovative storytelling on the streets of New York City. During this time, photographer Brandon Stanton stopped, photographed, and interviewed more than ten thousand strangers, eventually sharing their stories on his blog, *Humans of New York*. In *Humans of New York: Stories*, the interviews accompanying the photographs go deeper, exhibiting the intimate storytelling that the blog has become famous for today. Ranging from whimsical to heartbreaking, these stories have attracted a global following of more than 30 million people across several social media platforms.

Here is New York E. B. White, 2011-03-30 In the summer of 1948, E.B. White sat in a New York City hotel room and, sweltering in the heat, wrote a remarkable pristine essay, *Here is New York*. Perceptive, funny, and nostalgic, the author's stroll around Manhattan—with the reader arm-in-arm—remains the quintessential love letter to the city, written by one of America's foremost literary figures. *Here is New York* has been chosen by The New York Times as one of the ten best books ever written about the city. The New Yorker calls it "the wittiest essay, and one of the most perceptive, ever done on the city."

Weird New York Chris Gethard, 2005 This book is a travel guide of sorts to New York's local legends and best kept secrets, filled with crazy characters, cursed roads, abandoned sites, and bizarre roadside attractions that the author feels reflect the shared modern folklore of our time.

New York, New York, New York Thomas Dyja, 2022-03-15 A lively, immersive history by an award-winning urbanist of New York City's transformation, and the lessons it offers for the city's future--

A Walk in New York Salvatore Rubbino, 2017-09-12 New York City the perfect place for a boy and his dad to spend the day! Follow them on their walk around Manhattan, from Grand Central Terminal to the top of the Empire State Building, from Greenwich Village to the Statue of Liberty, learning lots of facts and trivia along the way.

I Never Knew That About New York Christopher Winn, 2014-03-25 A treasure trove of fascinating trivia about the city that never sleeps Did you know: • Grand Central Terminal is the largest railway station in the world. • Columbus Circle is the point from which all official distances to and from New York are measured • When Queen Elizabeth II visited Trinity Church in 1976, she was presented with 279 peppercorns in back rent • Macy's owns almost a full city block...but not the real estate its famous sign featuring its signature red bag is on. Take a delightful journey from the bottom of the island of Manhattan to the top and discover extraordinary facts about New York along the way. You'll find yourself saying, "I never knew that about New York!"

New York Edward Rutherfurd, 2011-11-29 A brilliant mix of battle, romance, family struggles, and personal triumphs, *New York* gloriously captures the search for freedom and prosperity at the heart of America's history. A blockbuster masterpiece that combines breath-taking scope with narrative immediacy, this grand historical epic traces the history of New York through the lenses of several families: The Van Dycks, a wealthy Dutch trading family; the Masters, scions of an English merchant clan torn apart during the Revolution; the Hudsons, slaves who fight for their freedom over several generations; the Murphys, who escape the Famine in Ireland and land in the chaotic slum of Five Points; the Rewards, robber barons of the Gilded Age; the Florinos, an immigrant Italian clan who work building the great skyscrapers in the 1920s; and the Rabinowitzs, who flee anti-semitism in Europe and build a new life in Brooklyn. Over time, the lives of these families become intertwined through the most momentous events in the fabric of America: The founding of the colonies; the Revolution; the growth of New York as a major port and trading centre; the Civil War; the Gilded Age; the explosion of immigration and the corruption of Tammany Hall; the rise of New York as a great world city in the early 20th-century; the trials of World War II, the

tumult of the 1960s; the near-demise of the city in the 1970s; its roaring rebirth in the 1990s; culminating in the World Trade Center attacks at the beginning of the new century. New York is the book that Rutherford's fans have been waiting for. From the Hardcover edition.

New York for New Yorkers Liza M. Greene, 2001 Updated to include major new buildings of the last five years, this volume is a celebration of the buildings of New York City and their history with over 600 color photos.

Gotham Edwin G. Burrows, Mike Wallace, 1998-11-19 To European explorers, it was Eden, a paradise of waist-high grasses, towering stands of walnut, maple, chestnut, and oak, and forests that teemed with bears, wolves, raccoons, beavers, otters, and foxes. Today, it is the site of Broadway and Wall Street, the Empire State Building and the Statue of Liberty, and the home of millions of people, who have come from every corner of the nation and the globe. In *Gotham*, Edwin G. Burrows and Mike Wallace have produced a monumental work of history, one that ranges from the Indian tribes that settled in and around the island of Manna-hata, to the consolidation of the five boroughs into Greater New York in 1898. It is an epic narrative, a story as vast and as varied as the city it chronicles, and it underscores that the history of New York is the story of our nation. Readers will relive the tumultuous early years of New Amsterdam under the Dutch West India Company, Peter Stuyvesant's despotic regime, Indian wars, slave resistance and revolt, the Revolutionary War and the defeat of Washington's army on Brooklyn Heights, the destructive seven years of British occupation, New York as the nation's first capital, the duel between Aaron Burr and Alexander Hamilton, the Erie Canal and the coming of the railroads, the growth of the city as a port and financial center, the infamous draft riots of the Civil War, the great flood of immigrants, the rise of mass entertainment such as vaudeville and Coney Island, the building of the Brooklyn Bridge and the birth of the skyscraper. Here too is a cast of thousands - the rebel Jacob Leisler and the reformer Joanna Bethune; Clement Moore, who saved Greenwich Village from the city's street-grid plan; Herman Melville, who painted disillusioned portraits of city life; and Walt Whitman, who happily celebrated that same life. We meet the rebel Jacob Leisler and the reformer Joanna Bethune; Boss Tweed and his nemesis, cartoonist Thomas Nast; Emma Goldman and Nellie Bly; Jacob Riis and Horace Greeley; police commissioner Theodore Roosevelt; Colonel Waring and his white angels (who revolutionized the sanitation department); millionaires John Jacob Astor, Cornelius Vanderbilt, August Belmont, and William Randolph Hearst; and hundreds more who left their mark on this great city. The events and people who crowd these pages guarantee that this is no mere local history. It is in fact a portrait of the heart and soul of America, and a book that will mesmerize everyone interested in the peaks and valleys of American life as found in the greatest city on earth. *Gotham* is a dazzling read, a fast-paced, brilliant narrative that carries the reader along as it threads hundreds of stories into one great blockbuster of a book.

In New York Marc Brown, 2014-03-11 Marc Brown now calls New York City home, and with In New York, he shares his love for all that the city has to offer and all that it stands for, including the way it's always changing and evolving. From its earliest days as New Amsterdam to the contemporary wonders of Central Park, the Statue of Liberty, and the Empire State Building, to the kid-appealing subway, High Line, and so much more, Marc's rollicking text and gorgeous illustrations showcase what he's come to adore about New York after fulfilling his life-long dream to live in the city he fell in love with during a childhood visit. This is at once a personal story from the beloved creator of Arthur, a useful primer for first-time travelers on what to see and do with kids in the Big Apple, and a perfect keepsake after a visit. It's also a great gift for anyone who loves New York, the Crossroads of the World. New York! New York! It's a heckuva town!

Activist New York Steven H. Jaffe, 2018-05 Activist New York surveys New York City's long history of social activism from the 1650's to the 2010's. Bringing these passionate histories alive, Activist New York is a visual exploration of these movements, serving as a companion book to the highly-praised Museum of the City of New York exhibition of the same name. New York's primacy as a metropolis of commerce, finance, industry, media, and ethnic diversity has given it a unique and powerfully influential role in the history of American and global activism. Steven H. Jaffe explores how New York's evolving identities as an incubator and battleground for activists have made it a machine for change. In responding to the city as a site of slavery, immigrant entry, labor conflicts, and wealth disparity, New Yorkers have repeatedly challenged the status quo. Activist New York brings to life the characters who make up these vibrant histories, including David Ruggles, an African American shopkeeper who helped enslaved fugitives on the city's Underground Railroad during the 1830s; Clara Lemlich, a Ukrainian Jewish immigrant who helped spark the 1909 Uprising of 20,000 that forever changed labor relations in the city's booming garment industry; and Craig Rodwell, Karla Jay, and others who forged a Gay Liberation movement both before and after the Stonewall Riot of June 1969. Permanent exhibition: Puffin Foundation Gallery, Museum of the City of New York, USA.

New York City George J. Lankevich, 2002-09 An exploration into what America was, is, and can become through the lens of the rapidly changing American metropolis From its origins as a primitive Dutch outpost to the sprawling urban complex it is today, the defining characteristic of New York has been constant, dramatic, and rapid change. Formerly published as An American Metropolis, this new edition features a new preface in which Lankevich discusses the impact of the events of September 11 on the city, as well as an updated final chapter on the Giuliani administration. By understanding the history of New York, we obtain a vital sense of what America was, is, and can become.

New York 2140 Kim Stanley Robinson, 2017-03-14 New York Times bestselling author Kim Stanley Robinson returns with a bold and brilliant vision of New York City in the next century. As the sea levels rose, every street became a canal. Every skyscraper an island. For the residents of one apartment building in Madison Square, however, New York in the year 2140 is far from a drowned city. There is the market trader, who finds opportunities where

others find trouble. There is the detective, whose work will never disappear -- along with the lawyers, of course. There is the internet star, beloved by millions for her airship adventures, and the building's manager, quietly respected for his attention to detail. Then there are two boys who don't live there, but have no other home -- and who are more important to its future than anyone might imagine. Lastly there are the coders, temporary residents on the roof, whose disappearance triggers a sequence of events that threatens the existence of all -- and even the long-hidden foundations on which the city rests.

Working-Class New York Joshua B. Freeman, 2021-04-20 A “lucid, detailed, and imaginative analysis” (The Nation) of the model city that working-class New Yorkers created after World War II—and its tragic demise More than any other city in America, New York in the years after the Second World War carved out an idealistic and equitable path to the future. Largely through the efforts of its working class and the dynamic labor movement it built, New York City became the envied model of liberal America and the scourge of conservatives everywhere: cheap and easy-to-use mass transit, work in small businesses and factories that had good wages and benefits, affordable public housing, and healthcare for all. Working-Class New York is an “engrossing” (Dissent) account of the birth of that ideal and the way it came crashing down. In what Publishers Weekly calls “absorbing and beautifully detailed history,” historian Joshua Freeman shows how the anticommunist purges of the 1950s decimated the ranks of the labor movement and demoralized its idealists, and how the fiscal crisis of the mid-1970s dealt another crushing blow to liberal ideals as the city’s wealthy elite made a frenzied grab for power. A grand work of cultural and social history, Working-Class New York is a moving chronicle of a dream that died but may yet rise again.

The New New York John Charles Van Dyke, 1909

New York by New York Jay McInerney, Wendell Jamieson, 2018-11-01 New York is a city whose DNA comes from all over the world, a fantastic and unique place belonging to America yet not completely American. Such a strong cultural personality deserves a book, and Martine Assouline introduces this grand new title as “a little tribute to the New York I love.” Travel through the most important periods of this great city and into all its boroughs, from Manhattan and Brooklyn to the Bronx and Queens to Staten Island with glimpses into its history and the development of its world- renowned skyline. Discover stories from immigration in the early twentieth century to Prohibition in the 1920s to the youth revolution in the sixties. Remember the best moments in Broadway and the discos at Studio 54; dream with F. Scott Fitzgerald, Truman Capote, and Audrey Hepburn or Madonna and Jean- Michel Basquiat. This volume reveals New York through the expert eyes and iconic images of leading photographers from Edward Steichen to Peter Lindbergh, together with texts and quotes from top writers including E.B. White , Edith Wharton, Tom Wolfe and Jay McInerney. With a slipcase and typography created especially for the occasion, *New York by New York* provides ration and will be treasured by lovers of this great City for decades to come.

A People's Guide to New York City Carolina Bank Muñoz, Penny Lewis, Emily Tumpson Molina, 2022-01-25 This alternative guidebook for one of the world’s most popular tourist destinations explores all five boroughs to reveal a people’s New York City. The sites and stories of A People’s Guide to New York City shift our perception of what defines New York, placing the passion, determination, defeats, and victories of its people at the core. Delving into the histories of New York's five boroughs, you will encounter enslaved Africans in revolt, women marching for equality, workers on strike, musicians and performers claiming streets for their art, and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools. The streetscapes that emerge from these groups' struggles bear the traces, and this book shows you where to look to find them. New York City is a preeminent global city, serving as the headquarters for hundreds of multinational firms and a world-renowned cultural hub for fashion, art, and music. It is among the most multicultural cities in the world and also one of the most segregated cities in the United States. The people that make this global city function—immigrants, people of color, and the working classes—reside largely in the so-called outer boroughs, outside

the corporations, neon, and skyscrapers of Manhattan. A People's Guide to New York City expands the scope and scale of traditional guidebooks, providing an equitable exploration of the diverse communities throughout the city. Through the stories of over 150 sites across the Bronx, Manhattan, Queens, Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs, a people's New York emerges, one in which collective struggles for justice and freedom have shaped the very landscape of the city.

New York at Its Core Museum of the City of New York, 2017-12-15 Based on the award-winning, critically acclaimed exhibition at the Museum of the City of New York, New York at Its Core takes readers on a whirlwind journey through the 400-year history of the five boroughs to find out how a striving village on the periphery of the Dutch trading empire became the booming metropolis that is today's capital of the world. New York at Its Core finds the key in four defining themes that have shaped the city since its inception: money, diversity, density, and creativity. This lavishly illustrated book features nearly 400 objects and images from the one-of-a-kind exhibition, revealing how these themes evolved and interacted to create the city we know today, a subject of fascination the world over visited by millions of people every year. Covering New York's entire 400-year history and inviting a look into the city's future, New York at Its Core chronicles the cycles of crisis and reinvention that gave rise to one of the world's most diverse and densely populated places, a city that has shaped the course of events for the nation and the world.

Snew York Introduction

In today's digital age, the availability of Snew York books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through

pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Snew York books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Snew York books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Snew York versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Snew York books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated,

bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Snew York books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Snew York books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical

documents. In conclusion, Snew York books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Snew York books and manuals for download and embark on your journey of knowledge?

FAQs About Snew York Books

1. Where can I buy Snew York books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Snew York book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Snew York books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Snew York audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Snew York books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
