**Paper Secrets** Mary Jo Stanley,2010-11 Paper Secrets is the first book of a family saga involving the Black and Coleman families having mixed feeling for each other. Vivian Black and Louise Coleman were best friends during their childhood years in the 1930's until circumstances led to a ten-year separation. When they meet again in college, Louise is extremely rich and Vivian is attending college on an academic scholarship. They both fall in love with the same handsome, wealthy upperclassmen John Williams from Richmond, VA and the former friends find themselves at odds over for his affection. Louise is used to having her way and doesn't take no for an answer. She is determined to have him and will not let a little thing like his love for Vivian get in the way. Paper Secrets, a story with many misunderstandings, trials, and even lost loved ones for both families caused by the discovery of various pieces of paper. While some family members are anxious to have the secrets revealed, others want them hidden or forgotten forever. Lawsuits and threats of public humiliation are the least of their worries with the secrets looming over their heads.

Writing Brave and Free Ted Kooser,Steve Cox,2006-01-01 Sometimes setting pen to paper requires bravery, and writing well means breaking free of the rules learned in school. Liberating and emboldening the beginning writer are the goals of Ted Kooser and Steve Cox in this spirited book of practical wisdom that brings to bear decades of invaluable experience in writing, teaching, editing, and publishing. Unlike ?how to write? books that dwell on the angst and the agony of the trade, Writing Brave and Free is upbeat and accessible. The focus here is the work itself: how to get started and how to keep going, and never is heard a discouraging word such as ?no,? ?not,? or ?never.? Because of the wealth of their experience, the authors can offer the sort of practical publishing advice that novices need and yet rarely find. Organized in brief, user-friendly chapters?on everything from sensory details to a work environment, from creating suspense to revising and taking criticism?the book allows aspiring (and practicing) writers to dip in anywhere and find something of value.

Seeking Shadows J.L.D. Jackson,2011-02-09 After the devastating murder of her family, and her nightmarish captivity in a dark cell for four long months, Alex is determined to escape from a world that contains only reminders, and faces that seem unfamiliar to her now. Her recent experience seems to have drained the emotion from her every encounter, which is compensated for by the fact that she can feel the emotions of any stranger—all she has to do is make eye contact. The moment she does, every emotion they are experiencing and every thought they have comes pouring into Alex's mind, and there is nothing she can do about it. Her escape from her old life, and from the knowledge of certain minds that she never wanted, proves difficult when she arrives at her new school only to meet Jason, a boy who is far too perceptive, and seems to be everywhere she turns. But there is more to Jason than meets the eye, which is emphasized by the fact that she can't read his mind, and Alex can't help but wonder what he is hiding. The truth will shock her, and destroy any preconceptions she may have had of starting a new life. Jason is a part of a dangerous and unbelievable mission, and unbeknownst to her, Alex is caught in the center of it.

*Legend of the Samurai: Summoning* Seth Pen, 2023-04-01 Twelve strangers from all walks of life unite by their determination to risk it all to pursue their dreams and uplift their people. While a prophecy preoccupies the two powers that be – a benevolent Empire tangled up in bureaucracy versus the resentful reactionaries festering in the Empire's shadows – the twelve heroes find themselves embroiled in a fight to overthrow a corrupt Queen and demand democracy for a revolting working class that has had enough!

*Beyond the Aspen Grove* Ann Zwinger, 2002 The Colorado Rockies are Ann Zwinger's subject in prose and drawing. There, 8,300 feet above sea level, summer is short and winter long and often harsh; it is a place where much of life exists on the margin. In good years the grasses are lush; in bad years, even the mice starve. But it is a land the Zwingers have lovingly explored and recorded, careful not to disrupt the balance of the land, the relationship of plant to animal and of each to its environment. These forty acres, called Constant Friendship after the Maryland land her ancestor settled in the early 1730s, are a place of all seasons, for even in winter there is a promise of spring, and in spring the foretaste of summer. The white of snow becomes the white of summer clouds, the resonant green of spruce becomes the green head of drake mallard ... here part of each season is contained in every other. In beautiful and simple language and with 80 illustrations, *Beyond the Aspen Grove* tells of meadow, lake, marsh and forest, of algae and dragonflies, of deer and jays that live in the thin clear air of the mountain world.

*Fancy-Free* Carrie Alexander, 2012-07-16 There's a Naked Woman on Main Street! Things have gotten interesting since Fancy O'Brien came to town. (She's the naked woman. But don't worry—she made strategic use of some bubbles.) Now the whole town's in an uproar.... Some of the residents don't approve of her taking a bath—literally—to publicize the opening of her bath boutique. But others are glad the sassy and sexy Fancy has arrived. Especially Jeremiah Quick. He's a leading citizen and drop-dead gorgeous to boot. And he thinks Fancy's the right woman for him. Too bad Fancy thinks he's the right man for her mother....

*Rose Harbor in Bloom* Debbie Macomber, 2015-06-23 #1 NEW YORK TIMES BESTSELLER Hailed as “the reigning queen of women’s fiction” (The Sacramento Bee), Debbie Macomber is renowned for her novels of love, friendship, and the promise of fresh starts. Now Macomber returns to the charming Rose Harbor Inn, where each guest finds a second chance and every room comes with an inspiring new view. Since moving to Cedar Cove, Jo Marie Rose has truly started to feel at home, and her neighbors have become her closest friends. Now it’s springtime, and Jo Marie is eager to finish the most recent addition to her inn. In memory of her late husband, Paul, she has designed a beautiful rose garden for the property and enlisted handyman Mark Taylor to help realize it. She and Mark don’t always see eye-to-eye—and at times he seems far removed—yet deep down, Jo Marie finds great comfort in his company. And while she still seeks a sense of closure, she welcomes her latest guests, who are on their own healing journeys. Annie Newton arrives in town to orchestrate her grandparents’ fiftieth wedding anniversary celebration. While

Annie is excited for the festivities, she's struggling to move on from her broken engagement, and her grandparents themselves seem to be having trouble getting along. Worse, Annie is forced to see Oliver Sutton, with whom she grew up and who has always mercilessly teased her. But the best parties end with a surprise, and Annie is in for the biggest one of all. High-powered businesswoman Mary Smith, another Rose Harbor Inn guest, has achieved incredible success in her field, yet serious illness has led her to face her sole, lingering regret. Almost nineteen years ago, she ended her relationship with her true love, George Hudson, and now she's returned to Cedar Cove to make amends. Compassion and joy await Jo Marie, Annie, and Mary as they make peace with their pasts and look boldly toward their futures. Rose Harbor in Bloom is Debbie Macomber at her heartwarming best. Praise for Rose Harbor in Bloom "Takes readers on personal journeys of first love, lost love and recaptured love."—Bookreporter "A wonderful reading experience . . . as [the characters'] stories unfold, you almost feel they have become friends."—Wichita Falls Times Record News "Readers will find the emotionally impactful storylines and sweet, redemptive character arcs for which the author is famous. Classic Macomber, which will please fans and keep them coming back for more."—Kirkus Reviews

**Twins in Her Womb: Sir President, Please be Gentle** Heap Heap, It was supposed to be a routine test tube baby situation, but suddenly everything went wrong. The problem was Master Luke Crawford, the heir to the Crawford empire, mature and composed, cold and domineering. Once he put his mind to it, there was nothing in the world he could not do! She had thought that they would go their completely separate ways after she delivered the children. *Memory Lane* Judy K. Walker, 2022-06-14 They should have left well enough alone. Florida PI Sydney Brennan needs a break. She just finished an intense week on the road, on the heels of a case that fundamentally changed her life. And nearly got her killed. That's why an exhausted Sydney is doing her best to pass out in her favorite bar (no booze required) when her world tilts on its axis again. Someone she hasn't seen in more than fifteen years walks through the door, and he asks her to take a little trip with him. Their journey starts out as a simple one—I just need to see her; she doesn't even have to know we're there—but soon they are tangled in a web of secrets and lies, threats and accusations. And the one person they wanted above all else to keep safe is suddenly in jeopardy. Because there is nothing more complicated—and dangerous—than finally facing the past. *Memory Lane* is the eighth installment in the Sydney Brennan PI Mysteries, featuring the Florida private investigator with a knack for getting into trouble who doesn't know when to quit. These books stand alone but are best enjoyed in order, starting with *Back to Lazarus*. Please don't read this book if you haven't read *Grave Truth*. You won't have trouble following the story, but *Memory Lane*'s entire premise is a big spoiler for *Grave Truth*, and no one wants that.
