The Lawson Sisters Janet Gover,2020-02-01 A heartfelt and compelling story of family, secrets and second chances, set in the heart of the beautiful Hunter Valley of NSW, from an award-winning new voice in Australian fiction. Family, fortune and holding on to what counts... For many years Elizabeth Lawson has battled single-handedly to run the family's historic horse stud in memory of her beloved father. But a devastating loss puts her dreams at risk. With no options left, Liz is forced to turn to her estranged sister Kayla for help. Kayla has built a new life in the city as a wedding planner, far removed from the stableyard sweat and dust of her rural upbringing. She never thought she'd go back. But when Liz calls out of the blue, Kayla forms a plan that could save their childhood home. Kayla's return forces Liz to confront her past ... and her future, in the shape of Mitch, her first and only love, who still watches over her from the other side of the creek. But Liz still hides a terrible secret. When Kayla learns the truth, will the Lawson sisters find common ground or will their conflict splinter the family once again? PRAISE FOR JANET GOVER: 'A stirring family drama, set to a spectacular rural stage ... The Lawson Sisters is an exceptional read from cover to cover.' - Mrs B's Book Reviews 'Easy to read and beautifully written - the characters came to life...' - Beauty and Lace 'With the scent of eucalyptus on the air, estranged sisters and a homestead echoing past regrets and missed chances, The Lawson Sisters has everything you want in an Aussie romance.' - Fiona Lowe, bestselling Australian author

Typographic Systems of Design Kimberly Elam,2007-05-03 Typographic organization has always been a complex system in that there are so many elements at play, such as hierarchy, order of reading, legibility, and contrast. In *Typographic Systems*, Kim Elam, author of our bestselling books, *Geometry of Design* and *Grid Systems*, explores eight major structural frameworks beyond the grid including random, radial, modular, and bilateral systems. By taking the reader through exercises, student work, and professional examples, Elam offers a broad range of design solutions. Once essential visual organization systems are understood the designer can fluidly organize words or images within a structure, combination of structures, or a variation of a structure. With clarity and substance, each system from the structured axis to the nonhierarchical radial array is explained and explored so that the reader comes away with a better understanding of these intricate complex arrangements. *Typographic Systems* is the seventh title in our bestselling *Design Briefs* series, which has sold more than 100,000 copies worldwide.

Maggie's Recipe for Life Maggie Beer,2024-07-03 With over 200 delicious recipes and the latest scientific research, bestselling author Maggie Beer and leading Alzheimer's researcher Professor Ralph Martins show us how to eat and live well to promote optimum brain health to help fight one of the most debilitating diseases of our later years. This second edition contains a new introduction and 13 recipes from the ABC TV series Maggie Beer's Big Mission. This

book is so important to me. To have a healthy old age you must act now, whether you are 30 or 50. I have two great passions – sharing my love of cooking delicious, simple food and improving the health and nutrition of older people. I hope this cookbook does both but it's not for 'old' people, it's for you. I have been delighted to work with leading Alzheimer's researcher Professor Ralph Martins in recent years and I have learned that if we are to avoid Alzheimer's and other lifestyle diseases it is what we eat today that matters. These are my recipes for every day, for everybody, full of deep flavours and beautiful ingredients that will nourish you and your family. Nobody wants to eat worthy food that tastes like cardboard. For me, food without flavour is unthinkable! And so is the notion of restricting whole food groups. My recipe for life is to have a healthy attitude to eating – it's all about balance, variety and choosing foods that give you the best chance of being in good health now and into your future. This is not a diet book – it's a way of life. This new edition includes recipes from my ABC TV show *Maggie Beer's Big Mission*. ~ Maggie Beer Maggie Beer and Professor Ralph Martins have teamed up to fight one of the most debilitating diseases of our later years. Based on the latest scientific research, Maggie has created more than 200 recipes that help provide the nutrients we need for optimum brain health. More than one million Australians are affected every day by Alzheimer's, directly or indirectly, but the good news is that you can eat well to age well, from this moment on. The proceeds from Maggie's Recipe for Life are shared between the Maggie Beer Foundation and the Lions Alzheimer's Foundation.

Yellow Villa, The Amanda Hampson, 2019-01-22 Mia and Ben, an Australian couple in their early 30s, have been together since high school. Their shared life had a promising start but stalled when they were unable to conceive - something they never anticipated. They have relinquished one dream and embraced another, selling their Sydney flat and purchasing an old yellow house in the picturesque village of Cordes-sur-Ciel in South-West France. They soon meet sophisticated neighbours Dominic and Susannah, a British couple in their 60s who welcome them warmly but whose own relationship is at crisis point. Mia and Ben are immediately star-struck and impressed by their lavish hospitality. When Mia's mother comes to stay, she soon realises that Dominic and Susannah are not what they seem. Relationships between all parties become strained. Trust is broken and the older couple play increasingly complex mind games. Gradually Dominic and Susannah's secrets begin to surface, revealing details of the scandal they left London to escape and the truth behind their self-imposed exile in France. Reeling from these revelations, Mia and Ben no longer trust their own instincts. The peaceful idyll of their French life has unravelled. Can Dominic and Susannah escape each other, and can Ben and Mia they find their way back to each other and the dream they shared?--Back cover.

The Olive Sisters Amanda Hampson, 2005-09-26 'I open the gate and walk into the field . . . As the sun pours a river of light down this valley, I realise there are hundreds and hundreds of trees and I've seen those silver leaves before, not here in Australia, but shimmering in the groves that grace the terraced hillsides of Tuscany.' When Adrienne's marketing company goes down, her lifestyle does too. She retreats from the city to the beautiful, abandoned olive grove once owned by her Italian grandparents. A 'tree change' isn't what Adrienne has in mind, however, and life in the country delivers some surprises as she confronts the past and learns the secrets of the Olive Sisters . . . Old loves, new loves, warm toast and rich traditions are all part of the delicious blend of this absorbing story.

Lovebirds Amanda Hampson, 2021-05-04 'Skilfully written, with moments of laugh-out-loud humour, *Lovebirds* both warmed and broke my heart in perfect measure.' Joanna Nell In their youth, lovebirds Elizabeth and Ray had to fight to be together. Their future was full of promise and, blessed with children and careers, their happiness complete. But a twist of fate changed their lives forever. Now in her sixties, Elizabeth is desperately lonely. She rarely sees her two adult sons and her closest friend is a talkative budgie. But when her grandson, Zach, gets into trouble with the police, she decides to take him on a road trip to find his grandfather, her lost love Ray, in the hope of mending their broken family. Two less compatible travelling companions would be hard to find, as they set off on an unlikely adventure into the wilds of the northern NSW hinterland. What they discover along the way, about Ray and each other, has the power to transform them all. In trying to save Zach, Elizabeth might just save herself. 'Warm, witty and wise, *Lovebirds* is an astute and uplifting novel about the power of love and family. I love that older women are so beautifully portrayed in novels now, and Amanda Hampson leads the way.' Better Reading 'Amanda Hampson writes with warmth and pace and handles the action skilfully in this unusual and ultimately uplifting novel that gets under the skin of an erratic family.' SMH
