The Cardboard Boat Book ,2009 A step-by-step instruction manual on how to build a lightweight 'environmentally-friendly' boat with recyclable resources. The boats simply fold up from ¼" thick cardboard obtaining their strength from the geometry of the component parts. The boats are 8-feet long, weigh about 25-pounds, and can accommodate a 250-pound person without risking structural damage. Each boat is constructed with 21-pieces of cardboard that are used to make 7-component parts. The 7 parts are assembled together with 'environmentally-friendly' contact cement and paper drywall tape. Once assembled the boats are sealed with an 'environmentally-friendly' water-based waterproof coating. No special tools are required and they are very simple to build. All of the materials used to build a boat are typically found at 'do-it-yourself' home improvement stores. The boats can be outfitted with 12-volt electric fishing motors, although they are typically propelled with traditional Kayak style paddles.

Replacing Your Boat's Electrical System Mike Westin,2013-07-01 The second in a series of highly practical, hands on, step-by-step photographic manuals, Replacing Your Boat's Electrical System fills a gap in the market for the DIY boat builder and repairer. It is a subject covered only in piecemeal fashion by the yachting press, which, like general boat repair manuals, can't go into the level of detail Micke Westin does. This is a visual, hand-holding guide, dwelling on the details as it explains each procedure rather than focussing on the theory (which is relegated to an appendix, for those who wish to go further).

There were many dangers for Luftwaffe night fighters to contend with; hazardous weather conditions, fog rolling out of nowhere, return fire from the British bombers, enemy night fighters at work over German airfields and simple fatigue could all lead to tragedy. One of the men who survived all of this was Ofw. Kurt Bundrock. Born on 2nd February 1917 in Berlin, Bundrock flew as Bordfunker (radio operator) with NJG 1's ace
