Make: Volume 88 Dale Dougherty, 2024-01-31 Paper printers can print in color, why not 3D printers? Well, now they can! New multicolor and multi-material 3D printers are more approachable

than ever. And they're good! In this issue of *Make*: we go in depth with the latest multi-filament 3D printing systems from Bambu Labs, Prusa Research, and others to show you how to get the best color 3D prints. But even though you can print multicolor pieces, should you? From waste towers to orientation issues, we walk you through the pros and cons of printing all-in-one color pieces versus assembling separate color parts. Then, get the download on next-level resin printing that can produce pieces in literal seconds! Next, take a look at HueForge, a surprising technique for 3D printing full-color reliefs that look like digital paintings. And, can AI make ready-to-print 3D objects? The answer is Kind of! Plus, 21 projects for you to make, including: Craft a cuddly companion robot that moves and lights up through sight and touch Make a DIY mobility walker for cheap Create a highly customizable alarm clock with a pixel display Build a ham radio antenna out of an actual tin of ham! Make a giant LED Ouija board and send spooky messages via Wi-Fi Turn a hardwood cutting board into a gorgeous end table Design your vinyl cutter projects for fast weeding and application Make a simple animatronic robot with AI that knows how to follow your face And much more!

Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

Architecture Francis D. K. Ching, 2012-07-16 A superb visual reference to the principles of architecture Now including interactive CD-ROM! For more than thirty years, the beautifully illustrated Architecture: Form, Space, and Order has been the classic introduction to the basic vocabulary of architectural design. The updated Third Edition features expanded sections on circulation, light, views, and site context, along with new considerations of environmental factors, building codes, and contemporary examples of form, space, and order. This classic visual reference helps both students and practicing architects

understand the basic vocabulary of architectural design by examining how form and space are ordered in the built environment.? Using his trademark meticulous drawing, Professor Ching shows the relationship between fundamental elements of architecture through the ages and across cultural boundaries. By looking at these seminal ideas, *Architecture: Form, Space, and Order* encourages the reader to look critically at the built environment and promotes a more evocative understanding of architecture. In addition to updates to content and many of the illustrations, this new edition includes a companion CD-ROM that brings the book's architectural concepts to life through three-dimensional models and animations created by Professor Ching.

The Modulor and Modulor 2 Le Corbusier, 2004-06-02 Le Corbusier's *Modulor*—a fundamental work in the history of architecture—as a beautiful facsimile edition.
