Modern Microeconomics: Theory and Applications, 19th Edition Ahuja H.L., The nineteenth edition of Modern Microeconomics continues to provide a detailed understanding of the foundations of microeconomics. While it provides a solid foundation for economic analysis, it also lucidly explains the mathematical derivations of various microeconomic concepts. This textbook would be extremely useful for the students of economics.

Advanced Economic Theory ,2020

Principles of Microeconomics: A New-Look Textbook of Microeconomic Theory,22e Ahuja H.L., This most popular and proven text takes a further lead with this revision by aligning its contents with the prescribed UGC model curriculum and new Choice Based Credit System (CBCS) syllabus. The book provides carefully tailored content for undergraduate courses in economics across a range of academic disciplines.

Modern Microeconomics HL Ahuja,2017 The nineteenth edition of Modern Microeconomics continues to provide a detailed understanding of the foundations of microeconomics. While it provides a solid foundation for economic analysis, it also lucidly explains the mathematical derivations of various microeconomic concepts. This textbook would be extremely useful for the students of economics.

Economics for B.A. Students Semester I (As per NEP) UP, 1/e Ahuja H.L., This textbook has been conceptualized to meet the need of B.A. First Semester students of Economics as per Common Minimum Syllabus prescribed for all Uttar Pradesh State Universities and Colleges under the recommended National Education Policy 2020. Maintaining the traditional approach to the subject, this textbook comprehensively covers first semester paper Principles of Microeconomics. This textbook acquaints the students with the important concepts of microeconomics such as demand, supply & market equilibrium, theory of consumer's behaviour, theory of production & cost, theory of firm & pricing in perfect competition, price & output under monopoly & imperfect competition, theory of distribution and lastly welfare economics & economic efficiency

Principles of Microeconomics, 22e Ahuja H.L., The book makes a comprehensive and analytical study of theories of demand, production/cost and determination of price and output of products in different market structures. It also discusses theory of factor pricing and income distribution as wages, rent, interest and profits. Above all, it critically analyses the conditions of economic efficiency and maximum social welfare and causes of market failures. It takes a further lead with this revision by aligning its contents with the prescribed UGC model curriculum and new Choice Based Credit System (CBCS) syllabus.

Business Economics HL Ahuja, 2017 The book provides conceptual understanding of essential concepts in business life. It details the foundations of business economics with special emphasis on demand analysis and consumer behaviour. It also discusses analysis of production and cost of the firm, market structures and pricing of products, factor pricing and income distribution and concludes with the discussion of capital budgeting. Based on the author's extensive teaching experience, the book champions a collaborative approach to delivering an appropriate textbook that is curriculum relevant.

Advanced Microeconomic Theory Geoffrey Alexander Jehle, Philip J. Reny, 2001 This advanced economics text bridges the gap between familiarity with microeconomic theory and a solid grasp of the principles and methods of modern neoclassical microeconomic theory.

Introductory Economic Theory [NEHU, Shillong] HL Ahuja, This book begins with an introduction to economics highlighting the economic problem of scarcity and choice. Further, it goes on and discusses the scope of economics as well as acquaints the students with the methodologies of economics. Basic microeconomic concepts such as demand, supply, competitive market equilibrium, elasticity and indifference curve analysis of demand have been explained in a simple and lucid manner. The book also dwells into theories of production, distribution, rent, interest and profits. It also discusses the market structures prevailing in the capitalist economy, namely, perfect competition and imperfect competition; thoroughly highlighting the sub categories of imperfect competition such as monopolistic competition, oligopoly and monopoly. Concepts of average revenue and marginal revenue have also been discussed in the book.

Macroeconomics HL Ahuja, 2015 Macroeconomics - Theory and Policy provides a comprehensive coverage of all the important theories and policies of macroeconomics. The book is an exhaustive text for understanding all the relevant concepts and current developments in the subject. It traces the

relevance of Keynesian theories to the developing economies and has critically examined the post-Keynesian developments.

Modern Economics – An Analytical Study, 20th Edition Ahuja H.L., 2016 In its 20th edition, this trusted definitive text is a comprehensive treatise on modern economics. It discusses in detail microeconomics, macroeconomics, monetary theory and policy, international economics, public finance and fiscal policy and above all economics of growth and development. The book has been exhaustively revised to provide students an in-depth understanding of the fundamental concepts and is streamlined to focus on current topics and developments in the field.

Development Economics HL Ahuja, 2016 A result of more than four decades of teaching experience, this book deals with the problems of economic growth, development and eradication of poverty and unemployment. The book also includes an analytical study of important issues of environment and sustainable development. The book not only explains the models and theories of economic growth but also critically evaluates their relevance to developing countries. A major highlight of discussion in the context is the exploration of the widely accepted Amartya Sen's Capability Approach to development.

Business Economics, Microeconomic Analysis 13e Ahuja H.L., This edition is specially revised to cater to the changed syllabi requirements of business economics as per UGC model curriculum, and in the light of the new UGC's Choice Based Credit System (CBCS) syllabus for B.Com and B.Com (Hons.). The book is a recommended text by UGC in its model curriculum.

Modern Economic Theory Dewett K.K. & Navalur M.H., 2010 Modern Economic Theory is a critique on how monetary revolution across the globe is changing the course of world economies, financial systems and markets. Beginning with discussion on price theory and microeconomics, this classic textbook progresses to describe comprehensively, theory of income and employability or macroeconomics, money and banking, international economics and public finance. Economic systems, economics of development and planning and economies of welfare provide a clear idea about recent developments in and criticism of compensation principle, market structures and social welfare. It adequately meets the requirements of the BA and B.Com courses (Pass and Honours). In addition, postgraduate students of Arts and Commerce and aspirants of various competitive examinations will also find the book very useful and informative.
