Young People Re-Generating Politics in Times of Crises Sarah Pickard,Judith Bessant,2017-07-31 This book provides insight into the diverse ways young people from around the world are regenerating politics in innovative and multifaceted ways. The authors, who include academics and activists, challenge claims that young people are apolitical, apathetic and living up to the 'me generation' stereotype. Contributions cover a rich body of case examples of traditional and new forms of youth politics in response to situated injustices and political and socio-economic crises. Significant and optimistic, the collection presents strong evidence from across the globe that these developments are not isolated incidences, but are in fact part of a systemic, large-scale transformation leading to a regeneration of the political landscape by young people. The book is aimed at students and scholars in the fields of politics, sociology, policy studies and youth and childhood studies.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

The Happy Hollisters and the Trading Post Mystery Jerry West,2020-01-11 There is great activity in the Hollister household upon the arrival of Domingo, the donkey promised Sue in New Mexico. The excitement mounts higher with the discovery of a note attached to the donkey's halter signed Y.I.F. So begins one of the two mysteries that run through this book. In the midst of the approaching Christmas season, the Hollisters work out a plan to use Domingo in a special project to provide gifts for the poor children of the town. The project, centered around The Trading Post, Mr. Hollister's sport and toy store in Shoreham, involves putting a life-sized model of Santa, his sleigh and six reindeer on the roof of the store and then filling the sleigh with gifts contributed by the people of the community. What happens when this wonderful plan seems completely spoiled by the disappearance of the model? Could there be any connection between the notes signed Y.I.F. and the disappearance? The five children find themselves in the middle of one of their most baffling puzzles. Here is a Happy Hollister book with not one, but two exciting mysteries along with the fun and companionship that unite this lively family.
