The Alchemical Tarot of Marseille Robert Place,2021 A modern Tarot deck that reinterprets the Tarot of Marseille and relates it to alchemy and Hermeticism

Index of Research Results United States. Air Force,1962

New Age Tarot James Wanless,1986-12-01

The Tarot Robert Place,2005-03-17 The Tarot is one of the few books that cuts through conventional misperceptions to explore the Tarot deck as it really developed in the Middle Ages and Renaissance Europe-not, as some would suggest, in the far reaches of Egyptian antiquity. Mining the Hermetic, alchemical, and Neoplatonic influences behind the evolution of the deck, author Robert M. Place provides a historically grounded and compelling portrait of the Tarot's true origins, without overlooking the deck's mystical dimensions. Indeed, Place uncommonly weds reliable historiography with a practical understanding of the intuitive help and divinatory guidance that the cards can bring. He presents techniques that offer new and valuable ways to read and interpret the cards. Based on a simple three-card spread, Place's approach can be used by either the seasoned practitioner or the new inquirer.

Native American Cards Massimo Rotundo,Laura Tuan,Lo Scarabeo,2002-06-01
Divination expert and researcher of myths Laura Tuan relies on Native American traditions and lore for the structure of this oracle. Her knowledge coupled with Rotundo's art presents the energies, gods, and spirits evoked by

Native American shamans. These precisely and delicately illustrated cards can enhance your spiritual journey toward wisdom and self-empowerment. Tuan and Rotundo create windows from our mundane world to one of spirits, magic, and harmony with nature.

Gandhi and the Contemporary World Sanjeev Kumar,2019-12-09 This book

develops a critical understanding of Mahatma Gandhi's philosophy and practice in the context of contemporary challenges and engages with some of his key work and ideas. It highlights the relevance of Gandhi's legacy in the quest towards peace-building, equity and global justice. The volume examines diverse facets of Gandhi's holistic view of human life – social, economic and political – for the creation of a just society. Bringing together expert analyses and reflections, the chapters here emphasise the philosophical and practical urgency of Gandhi's thought and action. They explore the significance of his concepts of truth and nonviolence to address moral, spiritual and ethical issues, growing intolerance, conflict and violence, poverty and hunger, and environmental crisis for the present world. The volume serves as a platform for constructive dialogue for academics, researchers, policymakers and students to re-imagine Gandhi and his moral and political principles. It will be of great interest to those in philosophy, political studies, Gandhi studies, history, cultural studies, peace studies and sociology.

Paper Jewels Omar Khan,2018-05 * The first book on the subject of postcards in the Indian subcontinent* More than 500 professionally restored images* Chapters dedicated to cities and movementsPostcards were to people in 1900 what the Internet was to the world in 2000. The world went from a thousand to

a billion postcards in a very short span of time, with the finest painters from India, Austria and Japan getting involved. *Paper Jewels* is the story of postcards during the Raj, and covers India, Pakistan, Sri Lanka and Burma. It is the first book on the subject and features hundreds of professionally-restored images in original format, weaving together the postcard artists, photographers, and publishers who define the rich history of the medium. The author's research also charts the history and progression of the technological aspects of postcard publishing and its key players. The concluding chapters explore the role postcards played in the Independence struggle, from the First Non-Cooperation Movement through the Dandi March and Partition. It includes some of the earliest cards of Mahatma Gandhi, Mohammed Ali Jinnah and other political figures. Many of the images in the book have not been seen since they were first published nearly a century ago. Published in association with The Alkazi Collection of Photography.
