Alice in Wonderland Coloring Pop-up Papercraft Andreea Daniela Hompoth Voicu,2022-09-27 Make your own pop up papercraft book at home and discover the world of Alice, the mad hatter and many other characters! Cut out the pages, color the images and follow the instructions to make your own 3D papercraft project. There are four different scenes with multiple layers that are glued together to form a carousel pop-up papercraft. The 4 parts show Alice falling through the rabbit hole, looking through a small door and change sizes multiple times, attending the mad hatter's tea party and meeting the Queen of Hearts. I hope you enjoy coloring this project as much as I enjoyed drawing the different scenes! You will require scissors and glue to cut out the pages and make your own paper craft.
