Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Wal-Mart Effect Charles Fishman, 2006 An award-winning journalist breaks through the wall of secrecy to reveal how the world's most powerful company really works and how it is transforming the American economy.

Lady Cop Makes Trouble Amy Stewart, 2016-09-06 "A colorful and inventive adventure tale."—Washington Post "It's True Grit, New York style."—New York Post "One of the best mystery novels of the year: wonderful and very entertaining." —New York Journal of Books "Stewart deftly combines the rough-and-tumble atmosphere of early twentieth-century New York City with the story of three women who want to live life on their own terms." —Library Journal, starred review In 1915, lady cops were not expected to chase down fugitives on the streets of New York City. But Constance Kopp never did what anyone expected. Constance and her sisters aren't living the quiet life anymore. They've made headlines fighting back against a ruthless silk factory owner and his gang of thugs. After Sheriff Heath sees Constance in action, he appoints her as one of the nation's first female deputies. But when a German-speaking con man threatens her position—and puts the honorable sheriff at risk for being thrown in his own jail—Constance will be forced to prove herself again. Based on the Kopp sisters' real-life adventures, *Girl Waits with Gun* introduced the sensational lives of Constance Kopp and her sisters to an army of enthusiastic readers. This second installment, also ripped from the headlines, takes us farther into the riveting story of a woman who defied expectations, forged her own path, and tackled crime along the way. "A fast-moving, craftily written novel."—BookPage "[An] irresistible madcap adventure."—PopSugar "Stewart leaves the reader wondering about one mystery still developing unsolved . . . Readers will just have to wait—impatiently, no doubt—for book No. 3."—Boston Globe

Girl Waits With Gun Amy Stewart, 2015-09-01 NATIONAL BESTSELLER. The first in the Kopps Sisters Novel Series, *Girl Waits with Gun* is an enthralling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family – and she does it in a way that few women of 1914 would have dared. A New York Times Editors' Choice “A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness.”—Elizabeth Gilbert
