Improv Paper Piecing Amy Friend,2017-03-27 Paper piecing blocks means they stand alone, mixed with other stand-alone style blocks in a quilt. Rarely are paper pieced designs repeated with other blocks to create a distinctly modern, secondary pattern that appears to be unrestrained. But Amy's paper-pieced patterns and 9 quilt designs combine both the precision of paper piecing and a spontaneous appeal. Design opportunities are opened through the repetition of paper-pieced blocks. This creates irresistible, modern quilts with precise--yet improvisational--flavor. Amy's patterns easily appeal to both the modern and the new traditional quilt maker alike.

In *SIMPLE TIMES*, Amy Sedaris sets the record straight and delivers a book that will forever change the world of crafting. Demonstrating that crafting is one of life's more pleasurable and constructive leisure activities, Sedaris shows that anyone with a couple of hours to kill and access to pipe cleaners can join the elite society of crafters. You will discover how to make popular crafts such as Pompom Ringworms and Seashell Toilet Seat Covers, all while avoiding the most common crafting accidents (sawdust fires, feather asphyxia, pine cone lodged in throat). You will cook your own edible crafts, from a Crafty Candle Salad to Sugar Skulls, with many more recipes and craft ideas that will inspire you to create your very own hastily constructed obscure d'arts. If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Pen & Ink James Hobbs,2019-06-01 Pen & Ink is packed with page after page of bite-sized creative sketching tips and accessible advice, and offers aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Exploring around 200 pieces of artwork by young contemporary artists, Pen & Ink highlights and examines the different techniques, qualities, and effects relating to each piece. Organized into chapters according to the technique exemplified (e.g.water soluble, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips, and practical advice. A detailed index at the front of the book also groups the paintings according to three main categories: Principles (e.g. composition), Media, Type of sketch (e.g. abstract), and Subject (e.g. nature). Listing each page where similar examples may be found, this category index enables the reader to easily identify and cross reference subjects that have been painted in similar styles. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, color, and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Pen & Ink adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using

a whole range of different drawing techniques, rather than looking at how to master one single style. This gives the reader a much wider skill set—allowing them to capture or create the essence of any image in a variety of different ways.

Windhall Ava Barry,2021-03-02 A stunning literary thriller in which an investigative journalist in modern Los Angeles attempts to solve the Golden Age murder of a Hollywood starlet. 1940s Hollywood was an era of decadence and director Theodore Langley was its king. Paired with Eleanor Hayes as his lead actress, Theo ruled the Golden Age of Hollywood. That ended when Eleanor's mangled body was discovered in Theo's rose garden and he was charged with her murder. The case was thrown out before it went to trial and Theo fled L.A., leaving his crawling estate, Windhall, to fall into ruin. He hasn't been seen since. Decades later, investigative journalist Max Hailey, raised by his gran on stories of old Hollywood, is sure that if he could meet Theo, he could prove once and for all that the famed director killed his leading lady. When a copycat murder takes place near Windhall, the long reclusive Theo returns to L.A., and it seems Hailey finally has his chance. When Hailey gets his hands on Theo's long-missing journals, he reads about Eleanor's stalkers and her role in Theo's final film, *The Last Train to Avalon*, a film so controversial it was never released to the public. In the months leading up to her death, something had left her so terrified she stopped coming to work. The more Hailey learns about Avalon, the more convinced he becomes that the film could tell him who killed Eleanor and why she had to die. But the implications of Avalon reach far beyond Eleanor's murder, and Hailey must race to piece together the murders of the past and present before it's too late.
