Angel Chronicles Vincent Kyere Kane, 2017-01-02 When the story begins, a pre-teenager is being chased by demons in the spirit realm as a test by his Guardian angel. The angel tells him that the chase reminds him of Gabriel's ordeal with the Prince of Persia, so the Angel tells the story to the boy in the spirit realm. This is the story. Gabriel, a messenger of the Lord is called upon by the Lord to send a message to Daniel on earth, who had been crying unto the Lord for days for an answer to a vision that he saw. Gabriel descends into the earth, only for him to be stopped by the Spirit Prince of the kingdom of Persia, with an army behind him. The Prince of Persia insists he will be subdued and stopped in his quest. Gabriel and the Prince of Persia, Marakech, debate on the rules of contact with humans. Marakech demands that Gabriel's contact with the human is spiritually illegal, such that he cannot allow it in his kingdom. Based upon this Marakech unleashes his army of Battle demons unto Gabriel. There is an interplay where the audience is brought back to the boy's world, as he senses something evil at play on earth. A seven year old boy is being drawn into a trap by a demon who wishes to corrupt the innocence of the child. The Pre-teenager called Elias and his angel interfere and save the boy. When the seven year old boy is saved, Elias demands from his angel to continue the story as they travel home to Elias' abode. The story continues. Gabriel goes through a series of battles with demon officers, demon warlocks, and nature demons, who pursue him relentlessly. He is able to lose them a couple of times by merging with nature energy. Each time he is discovered, he is drawn into perilous battles with powerful demons. He is able to close in on Daniel's location only for him to be tessered (teleported) to another location by trickery. He finds himself in the mountains close to his initial position when he first arrived on earth, only to be bombarded by more battle demons, at which point he sends a telepathic distress call into heaven. The call is relayed to Michael, who is battling with the Prince of Medea (Grecia) and his army, who responds by taking a portion of his army to go and support Gabriel. Gabriel is able to defeat the mountain demons, but faces a new enemy. Gabriel is trapped in a dimensional interchanger with a Damangin, a beast from the Pit, one of the lower dimensions of hell. This is a battle Gabriel knows he might lose, and can only hope that reinforcements will come in time....if there is time..... When Gabriel's story ends, the boy and his Guardian Angel are blown from the sky by an old Demon Prince called Azazel. The Guardian Angel is able to protect the boy and himself from significant damage. Azazel confronts the Guardian Angel on why he is training a human child, especially a powerful Archangel like him. He suspects fowl play from God and demands answers from the Guardian angel, but the angel refuses to give a definitive answer and a battle ensues...

The Ice Dragon George R. R. Martin, 2014-10-21 The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to

become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Zen drawing - a new way to become an artist Michelle Dujardin,2014-07-25 This eBook is derived from the hardcover book called 'the Zen drawing Pack', which was published in October 2014 by Rockpoint publishers and as an eBook called 'The Zen drawing eBook' by the authors. In this eBook called 'Zen drawing - a new way to become an artist', the authors have put less emphasis on the Zen Buddhism background of Zen drawing and more emphasis on the artistic benefits that can be found by using the techniques described in the hardcover book. For instance by adding a chapter on the use of watercolors and ink. As with all their books on Zen drawing, this eBook is based on the works of Frederick Franck and Betty Edwards. In this eBook artist Michelle Dujardin helps you to awaken your inner artist and add soul to your sketches by ignoring conventional drawing techniques and focus on really seeing your subject. Michelle helps you achieve a meditative state just by changing the way you see a subject, and allow your hands to follow the movement of your eyes. When you trust your own drawing reflex, the art that you create will become more expressive and beautiful than what you've done before. Not great with a pencil? Don't worry, everyone can learn to draw this way and you don't need any special talent or class. For any level of artist, from a beginner with little talent to an illustration expert, Zen drawing is not about making perfect pictures, it is about the experience of drawing, finding inspiration, and connecting to the world around you.
