Angkor Wat - A Transcultural History of Heritage Michael Falser,2019-12-16 This book unravels the formation of the modern concept of cultural heritage by charting its colonial, postcolonial-nationalist and global trajectories. By bringing to light many unresearched dimensions of the twelfth-century Cambodian temple of Angkor Wat during its modern history, the study argues for a conceptual, connected history that unfolded within the transcultural interstices of European and Asian projects. With more than 1,400 black-and-white and colour illustrations of historic photographs, architectural plans and samples of public media, the monograph discusses the multiple lives of Angkor Wat over a 150-year-long period from the 1860s to the 2010s. Volume 1 (Angkor in France) reconceptualises the Orientalist, French-colonial 'discovery' of the temple in the nineteenth century and brings to light the manifold strategies at play in its physical representations as plaster cast substitutes in museums and as hybrid pavilions in universal and colonial exhibitions in Marseille and Paris from 1867 to 1937. Volume 2 (Angkor in Cambodia) covers, for the first time in this depth, the various on-site restoration efforts inside the 'Archaeological Park of Angkor' from 1907 until 1970, and the temple's gradual canonisation as a symbol of national identity during Cambodia's troublesome decolonisation (1953-89), from independence to Khmer Rouge terror and Vietnamese occupation, and, finally, as a global icon of UNESCO World Heritage since 1992 until today.

Art and Architecture of Cambodia Helen Ibbitson Jessup,2004 Cambodia's turbulent history makes the richness and fragility of its architectural and artistic legacy strikingly apparent. Khmer Costumes and Ornaments Sappho Marchal,2021-05-15 The artist Sappho Marchal was the daughter of the renowned French conservator of Angkor, Henri Marchal. She spent the early years of her life in Cambodia, surrounded by the magnificent ruins of the Khmers, and produced the present study at age 23. Her fine line drawings present the myriad details of ornament and costume depicted on the stone reliefs of Angkor Wat with a clarity that could not be captured, even then, on film. Since that time, many of the stone carvings have severely deteriorated, rendering Marchal's drawings all the more valuable as a record for present-day students and restorers of Angkor.

A Record of Cambodia Zhou Daguan,2007-01-05 Translated, with an introduction and notes, by Peter Harris Only one person has given us a first-hand account of the civilization of Angkor. This is the Chinese envoy, Zhou Daguan, who visited Angkor in 1296-97 and wrote A Record of Cambodia: The Land and Its People after his return to China. To this day, Zhou's description of the royal palace, sacred buildings, women, traders, slaves, hill people, animals, landscapes, and everyday life remains a unique portrait of thirteenth-century Angkor at a time when its splendors were still intact. Very little is known about Zhou Daguan. He was born on or near the southeastern coast of China, and was probably a young man when he traveled to Cambodia by boat. After returning home he faded into obscurity, though he seems to have lived on for several decades. Much of the text of Zhou's book seems to have been lost over the centuries, but what remains still gives us a lively sense of Zhou the man as well as of Angkor. In this edition, Peter Harris translates Zhou Daguan's work directly from Chinese to English to be published for the first time. Earlier English versions depended on a French translation done over a century ago, and lost much of the feeling of the original as a result. This entirely new rendering, which draws on a range of available versions of the Zhou text, brings Zhou's many observations vividly and accurately back to life. An introduction and extensive notes help explain the text and put it in the context of the times. "Peter Harris has given a new generation of readers a masterly version of Zhou's timeless and fascinating account that scholars of Cambodia are sure to relish and visitors to Angkor are sure to enjoy."—David Chandler
