After the female dire wolf under her protection goes missing, Laurel Finnegan's new assignment, vetting the brother, proves even more challenging. He's everything Laurel isn't. And everything she wants. Before the full moon rises, she'll have to test their mutual attraction, find his sister, and keep him away from the other females who will stop at nothing to be the dire wolf's mate. He refuses to accept the significance of their mingled auras. Lucas MacDugal's family is the last of the purebred dire wolves, and times have changed. So when his sister fought tradition and fled Scotland for Sarasota, he agreed. Now, he has to deal with her female security guard. Laurel has extraordinary elemental assets and is instrumental in deciphering evidence, but she's also the first female to destroy his self-control. He has until the full moon rises to figure out why. After that, his unusual attraction to Laurel may prove deadly for her. All the evidence indicates Grace set herself up. Laurel's worst fears prove true. Rogues from the south have infiltrated the outlying pack land. When she discovers Grace's location and telecommunications fail, she decides to rely on the elemental connection she formed with Lucas. He's in denial... But there's no denying how much she hungers for him, and his lust rises with the waning moon. The innocent female haunts his thoughts night and day. He has to respond. Too many lives are at stake for him to ignore the appeal he can't resist. The full moon calls his wolf to action. Lucas will give up everything to claim Laurel as his, but he won't risk her life. The fear of losing her drives him to discover the mystery surrounding their irresistible connection.

A Rule is to Break John Seven,Jana Christy,2013-09-03 A Rule Is To Break says: Go ahead and throw your best self a party! So glad it exists.—Kristin Hersh, Throwing Muses After encountering the lively little anarchist in John and Jana's delightful A Rule is To Break, I will always remember the playful little devil with a mind of her own. A children's book on anarchy seems somehow just right: an instinctive, intuitive sense of fairness, community, and interdependence sits naturally enough with a desire for participatory democracy, self-determination, and peace and global justice.—Bill Ayers, author of To Teach: The Journey in Comics and Fugitive Days Simply celebrating childhood: the joy, the wonder of discovery, the spontaneity, and strong emotions. . . . Wild Child is free to do as she pleases. A Rule Is To Break: A Child's Guide to Anarchy follows Wild Child as she learns about just being herself and how that translates into kid autonomy. It presents the ideas of challenging societal expectations and tradition and expressing yourself freely in kid-terms that are both funny and thought provoking—it even functions as a guidebook for adults to understand what it is to be a critically thinking, creative individual. Wild Child is the role model for disobedience that is sometimes civil. John Seven and Jana Christy's previous collaboration The Ocean Story won Creative Child magazine's 2011 Creative Child Award Seal of Excellence and was shortlisted for the 2012 Green Earth Book Award.
