**The Marriage of Heaven and Earth** Marlin Watling, 2016-10-07 On the lookout for a mind-blowing new perspective on the nature of God and humanity's place in the world today? Dive into *The Marriage of Heaven and Earth*, and enter the mind of a veritable rock star of contemporary theology—N. T. Wright. Marlin Watling takes abstract and complex ideas and grounds them in simple terms through his unique combination of readable summaries and fifty accompanying illustrations. He distills a lifetime of complex theological analysis and data into easy-to-consume sketches with explanations to provide one thing: universal access to a brilliant mind. Watling's guide comprises four parts ◉ An introduction to N. T. Wright ◉ Summaries of Wright's four key concepts ◉ Wright's proposal of a new worldview ◉ An overview of humanity's mission, with an eye toward the end times Following in the footsteps of reformer Martin Luther, N. T. Wright makes the old story new again with his paradigm-shifting worldview. And in *The Marriage of Heaven and Earth*, Watling does something equally novel. He enters the ivory tower, strips away the pomp and ceremony of untouchable academia, and presents to believers of all interest levels Wright's theology as it's truly meant to be: easy to understand and full of grace.

**The Migration of Birds** T. A. Coward, 2019-12-17 *The Migration of Birds* by T. A. Coward was an English ornithologist and an amateur astronomer. He wrote extensively on natural history, local history, and Cheshire. In this book, he describes the migration patterns of birds in his home country. However, though he was limited in the birds he wrote about, these ideas and concepts can be applied to birds native to places around the world and helped teach average readers about this particular part of natural science.

**Facts of Consciousness** Johann Fichte, 2017-11-06 *Facts of Consciousness* (German: *Die Thatsachen des Bewusstseyns*) by Johann Gottlieb Fichte was originally published in 1817, and translated into English by Adolph Ernst Kroeger in 1868. The pathway from the world of sense to the world above sense is laid by the experimental knowledge of the human mind. The Facts of Consciousness must be investigated, for they are the measure of the true essence of the soul. These facts of consciousness are not, however, those of the ordinary psychologist. We must take the mind of humanity at large, in the fullness of its ideal life (theoretical, artistic, ethical, and religious), and in the might of its preternatural activity, as the real starting-point. In addition to this, we must weigh carefully even those facts which are rare and exceptional. These spring from a source lying within the region of preconsciousness. For the soul is preconscious and preexistent.

**The Secrets of Black Dean Lighthouse** Jack Dey, 2015-02-01 Katie grappled with the nightmare scene, clutching at her hair in desperation. The walls of fear, undermined and partially dismantled by many years of absence from Contention Island began to build its foreboding prison about her again. She had been a fool, lured back into her past, seduced by the idea of gaining control over her nemesis and finally breaking free of his power. And now Becky's recurring nightmares are increasing, drawing her deeper into Katie's agony. But who is Katie? And why is she haunting Becky's dreams? Brett needs to get to the bottom of Becky's night time terrors and release his wife from Katie's increasing influence, an influence that is threatening her very existence. Is it a prophecy of things to come? Or an omen from the past? Adventure. Danger. Intrigue. Love. Courage. Redemption. Come on the journey but be warned, once you are onboard there is no turning back and the consequences will leave your head spinning. A haunting mystery with a sting in its tail.

Paradise Warrior Jack Dey, 2014 When an honoured angel receives a secret mission to protect a baby Earth girl, he is given the heart of a man. Being chosen for such a dangerous assignment is a distinguished honour, the epitome of every warrior's desire, but it means crossing over into the confines of four dimensions and into the Tempter's kingdom. It carries terrible dangers, restrictions and extreme temptations to indulge in the ways of the creatures of the Earth. Will he become part of the problem? The stakes are high and complete evil sets out to win the game whichever way possible. The end justifies the means. Ignorance hides the perpetrators and deceit denies their existence. And we are all part of the game--whether we like it or not. We are the prize and the pawns. It is extremely dangerous to choose to close our minds. One mistake could cost us everything. Thankfully, the battle is not ours and a power far greater than us already knows the outcome. But It is up to us to recognise the enemy and choose to fight on the winning side. Follow the clues, but reserve judgement. You could be an accidental hero. A riveting story of courage, redemption, love and friendship. *Paradise Warrior* is not for the faint hearted. Don't read it alone!
