How to Make Adorable Baby Animal Dolls Jonni Good,2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
