Permission Granted Melissa Camara Wilkins,2019-11-05 From award-winning blogger Melissa Camara Wilkins, come and find a stunningly simple path to confidence and clarity. All you have to do is give yourself permission to show up as your gloriously imperfect self. Trying to fix yourself is exhausting. But being yourself - that is both possible and life-giving. The key is a simple heart-shift from chasing after perfection to learning to tell a truer story about ourselves, the world, and our place in it. Melissa Camara Wilkins invites you into her journey of discovering the profound simplicity of dropping the pretenses and allowing ourselves to be fully human - flaws and all. This is a story about making life simpler by letting go of who you think you're supposed to be and becoming who you really are. With wit and compassion, Melissa explores how to be present, show up as your real self, and get comfortable in your own skin by aligning the truth inside you with the life you live on the outside. Gain confidence with the freeing practices of dropping the mask, abandoning the experts, and understanding your real assignment. With refreshing honesty and insight, Melissa invites you to move from the either/or dichotomy into a spacious freedom of embracing the both/and - brave and scared, messy and real, gloriously imperfect and absolutely enough. This is your permission slip to be your whole, human self. For everyone who feels the pressure to fit in, measure up, and get it together, *Permission Granted* is a life-giving invitation to soul-level simplicity.
