Harem Royale -When the Game Ends- Vol. 1 Ryukishi07,2019-01-07 From the mind of Ryukishi07, creator of classics such as Higurashi and Umineko, comes a heart-pounding, full-throttle Harem Royale! Kohinata Asunaro is your regular everyday high school student. He likes light novels, porn games, and fantasizing about the girls in his class. One day when walking home from school he inexplicably releases a demon from a sealed bottle. Her name is Zepafur, and she won't rest until her debt is repaid! Now begins the Lovey Dovey Harem Royale! cries the demon, weaving a most curious magic. As a result, Asunaro's regular high school life transforms into a love-comedy series of harem shenanigans, with four girls from his school all vying for his affection, wow! But... Unbeknownst to our dopey protagonist, the four girls are in the midst of a horrific survival game under threat of death and eternal torture. She who fails to capture Asunaro's heart will be confined to the depths of Hell and killed ad infinitum! Just who will survive? Who will thrive? And who will meet their demise?

American Like Me America Ferrera,2019-09-03 INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.
