Letters From Burma Aung San Suu Kyi, 2010-02-04 Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi. In these astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings *Freedom from Fear*.

The Face of Resistance Aung Zaw, 2013-07-15 Aung San Suu Kyi is a world-renowned, inspirational symbol of Burmese resistance and courage. Released in 2010 after spending fifteen of the previous twenty-one years under house arrest, she emerged into a Burma that has finally begun to court democracy, and many are now looking to her to lead the country. But is it possible for Suu Kyi to mend the deep divisions in Burmese society? Who are the groups that make up Burma's face of resistance? What is it they are fighting for? And how can she unite these disparate factions into one cohesive group to take on the current regime in the elections scheduled for 2015? Former political activist and exile Aung Zaw explores these questions in the context of his own experiences, and sheds light on those people who have fought alongside Suu Kyi for decades in Burma's resistance movement. The book profiles key members of the National League for Democracy, examines the background of prominent activists involved in the 1988 student uprising, and focuses on the next generation of democracy leaders. From an insider's perspective, Aung Zaw demystifies the volatile state of contemporary Burmese politics and the background of Burma's current president, Thein Sein, and poses questions about the ongoing debate of international sanctions versus investment in the light of Burma's untapped natural resources. *The Face of*

Best Laid Plans: A Lowy Institute Paper: Penguin Special: The Inside Story of Reform in Aung San Suu Kyi’s Myanmar Sean Turnell,2024-08-27 Best laid Plans is a unique first-hand account of the radical economic reforms implemented in Myanmar under the ill-fated civilian government of Daw Aung San Suu Kyi. These reforms, designed both to turn around Myanmar’s dire economy and lay the economic foundations for democracy, were brought to a dramatic end following the military coup in Myanmar in February 2021. Written by one of Suu Kyi’s key economic advisors who was imprisoned alongside her in the wake of the coup, Best Laid Plans explores the nature of the reforms, the resistance they inspired, and the events that brought this all-too brief era of change to its catastrophic conclusion.

Aung San of Burma Aung San Suu Kyi,1991 1st ed. 1983.

The Lady and the Peacock Peter Popham,2013-04-30 Nobel Peace Prize Laureate Aung San Suu Kyi—known to the world as an icon for democracy and nonviolent dissent in oppressed Burma, and to her followers as simply “The Lady”—has recently returned to international headlines. Now, this major new biography offers essential reading at a moment when Burma, after decades of stagnation, is once again in flux. Suu Kyi’s remarkable life begins with that of her father, Aung San. The architect of Burma’s independence, he was assassinated when she was only two. Suu Kyi grew up in India (where her mother served as ambassador), studied at Oxford, and worked for three years at the UN in New York. In 1972, she married Michael Aris, a British scholar. They had two sons, and for several years she lived as a self-described “housewife”—but she never forgot that she was the daughter of Burma’s national hero. In April 1988, Suu Kyi returned to Burma to nurse her sick mother. Within six months, she was leading the largest

popular revolt in the country's history. She was put under house arrest by the regime, but her party won a landslide victory in the 1990 elections, which the regime refused to recognize. In 1991, still under arrest, she received the Nobel Peace Prize. Altogether, she has spent over fifteen years in detention and narrowly escaped assassination twice. Peter Popham distills five years of research—including covert trips to Burma, meetings with Suu Kyi and her friends and family, and extracts from the unpublished diaries of her co-campaigner and former confidante Ma Thanegi—into this vivid portrait of Aung San Suu Kyi, illuminating her public successes and private sorrows, her intellect and enduring sense of humor, her commitment to peaceful revolution, and the extreme price she has paid for it.
