The Complete Guide to Events Management (updated August 2013) Sarah Owen,
Reading with Babies, Toddlers and Twos Susan Straub,KJ

Dell'Antonia,2013-05-07 It's never too early—or too late—to start sharing books with your baby! Reading is one of the first activities you can enjoy with your child, and Reading with Babies, Toddlers, and Twos gets you started. Instill a love for reading early by answering questions such as: Which books will a newborn baby enjoy? What do you buy after you've read Goodnight Moon? Are eBooks and apps appropriate for young children? Can I make up a story to tell my child? What are the best collections of fairy tales, fables, and other classic stories? A parenting resource to help with early learning and literacy, Straub, Dell'Antonia, and Payne use their decades of experience as parents, book reviewers, and children's librarians to bring you the very best in children's books, so you'll never run out of ideas for reading with your baby. An accessible and enjoyable guide...this book is a 'go-to' resource.—Traci Lester, executive director, Reach Out and Read of Greater New York

Planning for Learning through ICT Rachel Sparks Linfield, Debra Maltas, 2012-09-26 Planning for Learning through ICT aims to introduce young children to what ICT is, and provides over six weeks worth of activities that explore a range of technologies suitable for children 3-5. The book provides ideas for helping children learn about the different purposes of ICT and explores how to use ICT to create, to find information, to play, to shop. The book focuses in particular on how to use ICT creatively as well as outdoors. Whatever your daily learning, this book aims to show how ICT can be easily and appropriately included in your everyday play and learning.

A Parent's Guide to Virtual Learning Felicia Durden, 2021-05-04 Make kids' virtual school experience fun and effective with this all-in-one primer designed to help busy parents make the most out of digital platforms, understand teaching strategies, and fully support your child's education. Every parent wants to help their child succeed, but it can be difficult when online platforms and teaching methods seem to be constantly changing. Now, A Parent's Guide to Virtual Learning takes the mystery out of digital education and gives you the tools that you can immediately implement at home, no matter your district, school, or distance learning model. Written by a fellow parent and experienced educator, Dr. Felicia Durden breaks down how virtual learning works and simple strategies for reinforcing classroom instruction, all with the busy parent in mind. In this book, parents will learn how to: Create an inspiring at-home workspace Make the most out of virtual platforms Understand core topics like math and reading Set up remote learning pods with other kids Support various online, hybrid, and distance learning models Avoid burnout (for students and parents!) Adapting to a virtual environment will be challenging and the role that parents play is crucial in student success. This book will be a tool that you will go to again and again to stay prepared and energized each day to help your child reach their learning goals.

What Does it Mean to be One? Jennie Lindon, 2012-05-24 What Does It Mean To Be One, from child psychologist Jennie Lindon, will give you the tools you need to ensure that your work with children, whether in a school, nursery or home setting, is relevant to their individual stages of development. This

books looks at the six areas of learning in the EYFS and focusses on what each area means for one-year olds. Each area of development is backed up with examples of how real children learn, what good practice looks like and working in partnership with parents. A must-have for anyone working with babies.

Be Honest and Tell the Truth Cheri J. Meiners,2007-08-25 It's never too soon to learn the difference between what's true and what isn't. Words and pictures help young children discover that being honest in words and actions builds trust and self-confidence. They also learn that telling the truth sometimes takes courage and tact. Includes discussion questions, skits, scenarios, and games that reinforce the ideas being taught.

Teaching a Child with Special Needs at Home and at School Judith B. Munday M.A. M.Ed.,2016-04-28 Have you been searching for help as you try to teach a struggling learner? This is the book you have been looking for! Judi Munday draws from what she has learned in 30 years of teaching exceptional students and shares that practical knowledge with you in Teaching a Child with Special

Needs at Home and at School: Strategies and Tools that Really Work! This is a highly readable and helpful guide for anyone who teaches a child with learning disabilities or high-functioning autism or Asperger's. Judi has packed it full of easy-to-use instructional strategies and advice about what works - for both parents who homeschool and for teachers who work with students with special needs. Since it is always difficult to find enough time to individualize, Judi makes sure that her teaching recommendations require little extra work or advance planning. She shows you how easy it is to modify or adapt textbooks and instructional materials. You will also learn about evidence-based instructional tools - such as graphic organizers and rubrics. Chapter topics include high-functioning autism/Asperger's and specific learning disabilities, along with a generous supply of specific teaching strategies that apply to them. You can also learn more about effective instruction, assistive technology, and student education plans. Judi has the heart to share her wisdom to educate, encourage, and equip you to be a more effective teacher of your special learner.

Overcoming Autism Lynn Kern Koegel, Ph.D., Claire LaZebnik, 2014-03-25 A fully revised and updated edition of the definitive guide to reducing symptoms of autism spectrum disorder Since Overcoming Autism was first published nearly a decade ago, many theories about autism have fallen by the wayside. But the interventions described in this book have been shown to be the best approach to improving the development and quality of life of children with autism. Together, Lynn Kern Koegel, the nationally recognized head of the Autism Research Center at the University of California, and Claire LaZebnik, a professional writer and the mother of a child with autism, have updated their classic guide with today's cutting-edge research. This revised edition has also been expanded to clarify the importance of community support to affected families and the effect of societal acceptance on a child's life. Still the only book on autism coauthored by professional in the field and a parent with first-hand experience, Overcoming Autism is as warm and nurturing as it is authoritative.
