Soaked! Abi Cushman,2020-07-14 A Hula-Hooping moose, a badger with a bumblebee umbrella, a rabbit in a cashmere sweater, and a very wet bear star in this unpredictable and laugh-out-loud picture book in which having fun gets the best of a grumpy bear. It looks like a wet and dreary day for Bear and his trio of friends. How could he possibly have fun when he is soaked? But Badger, Rabbit, and Moose don't seem to mind. In fact, Moose can still hula hoop! And it looks like so much fun. Might Bear like to try? Here is a story that shows that fun is not dependent on sunshine and blue skies. In fact, it might be more fun to be soaked!

Paper Things Jennifer Richard Jacobson,2015-02-10 When forced to choose between staying with her guardian and being with her big brother, Ari chose her big brother. There's just one problem—Gage doesn't actually have a place to live. When Ari's mother died four years ago, she had two final wishes: that Ari and her older brother, Gage, would stay together always, and that Ari would go to Carter, the middle school for gifted students. So when nineteen-year-old Gage decides he can no longer live with their bossy guardian, Janna, Ari knows she has to go with him. But it's been two months, and Gage still hasn't found them an apartment. He and Ari have been "couch surfing," staying with Gage's friend in a tiny apartment, crashing with Gage's girlfriend and two roommates, and if necessary, sneaking into a juvenile shelter to escape the cold Maine nights. But all of this jumping around makes it hard for Ari to keep up with her schoolwork, never mind her friendships, and getting into Carter starts to seem impossible. Will Ari be forced to break one of her promises to Mama? Told in an open, authentic voice, this nuanced story of hiding in plain sight may have readers thinking about homelessness in a whole new way.

Mein Kampf Adolf Hitler,2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

The Mom Test Rob Fitzpatrick,2013-10-09 The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

The Mitten Jan Brett, 2009-10-05 When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find it and crawl in; first, a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse and what happens next makes for a wonderfully funny climax. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page, walking through the woods unaware of what is going on. Once again Jan Brett has created a dramatic and beautiful picture book in her distinctive style. She brings the animals to life with warmth and humor, and her illustrations are full of visual delights and details faithful to the Ukrainian tradition from which the story comes.

Start with Why Simon Sinek, 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Honey Badger Don't Care Randall, 2012-01-24 Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In *Honey Badger Don't Care*, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, *Honey Badger Don't Care* presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!
