Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

The Defeated Detective Shantnu Tiwari, 2016-11-06 Many years ago, when Detective Royce was

travelling in India, he found himself in the unfortunate position of being dead. Murdered, to be precise. But he made a contract with the Goddess of Death, which allowed him to return. This contract is what drives him now. Because he supposedly fails every single case he takes on, he's known as the Defeated Detective. Featuring 3 Defeated Detective Stories. RSVP Murder: A man predicts his own murder, and invites Royce to investigate. You are Invited to a Murder: Someone is going to be killed live on stage, unless Royce can stop it. Can he? The Dame Who Loved Me: The wife of a man Royce murdered wants his help in finding him.

A Dragon's Ascension Ed Greenwood, 2003-02-17 Aglirta is known as the Kingless Land. Once a prosperous and peaceful river valley, it has fallen into lawlessness, and its feuding baronies are engaged in a constant state of war. But the land is kingless no more, for the Sleeping King of legend, King Kelgrael, has been reawakened by the efforts of the valiant Band of Four: - Hawkiril, a bold and

brave warrior gifted with great strength and fortitude - Craer, the crafty and clever thief - Sarasper, the learned and wise healer and last but not least - Lady Embra Silvertree, the mystical Lady of Jewels, a powerful sorceress Yet peace has not returned. In The Kingless Land, high magic and wizard kings stood in the way, while in The Vacant Throne, civil wars and backstabbing barons resisted the restoration of order. Now, a powerful warlord comes to the front to take control through military might, while the diabolic minions of the Serpent move into position for a climactic battle that will scar the Band of Four forever. A Kind of Justice Renee James, 2016-10-04 Against all odds, Bobbi Logan, a statuesque transgender woman, has become one of Chicago's most celebrated hair stylists and the owner of one of the city's poshest salons. She is finally comfortable with who she is, widely admired in her community, about to enjoy the success she deserves. Then her impossibly perfect life falls apart. In the space of a few weeks, the Great Recession drags her business to the brink of failure, her beloved

ex-wife needs help in facing a terrible tragedy, and a hateful police detective storms back into her life, determined to convict her of the five-year-old murder of John Strand—pillar of the community—and a sexual predator. As the detective builds an ever more convincing case against her, both of them will be shaken by revelations—about themselves, about their own deeply held secrets, and about the bizarre ritual murder of John Strand.

A Fire in the Sun George Alec Effinger, 2014-04-01 The Hugo Award-winning author returns to the

futuristic, high-tech Middle East setting of When Gravity Falls in this “major science fiction epic” (Locus). In a world filled with so many puppets, strings tend to get tangled. In this follow-up to the groundbreaking cyberpunk novel When Gravity Falls, the Budayeen is still a very dangerous place, a high-tech Arabian ghetto where power and murder go hand in hand. Marid Audran used to be a low-level street hustler, relying on his wits and independence. Now he’s a cop planted in the force by Friedlander Bey, the powerful “godfather” of the Budayeen. Marid is supposed to simply be Bey’s envoy into the police, but as a series of grisly murders piles up—children, prostitutes, a fellow officer—he is drawn deeper and deeper into the city’s chaos. Would Marid give up all his newfound money and power to get out of this mess? Absolutely. If only he could. But answers are never that easy and choices are never completely one’s own in the Budayeen.

Plague of Pythons Frederik Pohl, 2018-01-29 On Christmas the world's freedom died. Every man, woman and child lay in the grip of fear, for no one knew at what moment his nearest friend or a casual stranger might suddenly be possessed by some brutal mind ... and begin to murder and destroy. For

Chandler it was worse than for most. He was both victim and executioner. He had suffered himself, and he had committed a violent crime while under the strange domination. Accusing of hoaxing he was driven from his home. He wandered the world and found it smashed like a spoiled child's plaything - now Chandler was in the very presence of the destroyers! But what could one person do against such power? - the power of gods!

A Tidewater Morning William Styron, 2010-05-04 From the #1 New York Times–bestselling author of *Sophie's Choice*: three novellas of a young writer's journey to adulthood. In *Love Day*, twenty-year-old Paul Whitehurst is a Marine lieutenant during World War II, waiting to land on Okinawa, wrestling with anxiety and memories of his boyhood in Virginia. In *Shadrach*, ten-year-old Paul witnesses his neighbors as they welcome a guest: a ninety-nine-year-old former slave who has walked nine hundred miles from Alabama so that he may die on the land of his childhood owner. And in *A Tidewater Morning*, Paul is thirteen and struggling to deal with his mother's impending death from cancer. Together in one volume, each of these affecting semiautobiographical novellas from the author of such

literary classics as the Pulitzer Prize–winning *The Confessions of Nat Turner* and the memoir *Darkness Visible*, weaves together the transformative experiences of Whitehurst’s early life with William Styron’s signature deep historical insight, underscoring how the significance of the past informs the present. As the *Los Angeles Times* notes, it is “one of Styron’s finest works. . . . The beauty and humanity of the Southern tradition are evoked vividly.” This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

Timestop! Philip José Farmer, 1973

Treason Orson Scott Card, 2009-11-30 From the bestselling author of the Ender Universe novels comes Orson Scott Card's *Treason* Lanik Mueller's birthright as heir to planet *Treason*'s most powerful rulership will never be realized. He is a rad--radical regenerative. A freak among people who can regenerate injured flesh... and trade extra body parts to the Offworld oppressors for iron. For, on a planet without hard metals--or the means of escape--iron is power in the race to build a spacecraft.

Iron is the promise of freedom, which may never be fulfilled as Lanik uncovers a treacherous conspiracy beyond his imagination. Now charged with a mission of conquest--and exile--Lanik devises a bold and dangerous plan... a quest that may finally break the vicious chain of rivalry and bloodshed that enslaves the people of Treason as the Offworld never could.
