**If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27** Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

*I'm Dancing as Fast as I Can* Barbara Gordon, 2011-10-01 Barbara Gordon's groundbreaking memoir tells the extraordinary story of a woman who has it all, or thinks she does—a career as an Emmy-award-winning documentary producer, a man she loves, a world of friends, and a beautiful apartment in Manhattan. But beneath the façade, Barbara's life is spinning out of control. In spite of the pills prescribed by her doctor, a nameless terror disrupting her daily life intensifies until she is besieged by crippling anxiety attacks. A formerly strong, independent, successful woman, Barbara's life becomes a nightmare of paralysis and fear. When Barbara finds herself unable to leave her apartment or walk the streets of New York alone, she decides to take charge of her life. She doesn't want pills, she wants answers. Instead of ending her fears, quitting the medicine leads to the unraveling of what she thought was her perfect life, and Barbara becomes a casualty of a flawed and inept mental health system. Barbara had often spoken for the voiceless in her films, but she suddenly finds herself powerless, without a voice of her own. Though she feels frightened and misunderstood, the tenderness and love of another young patient, Jim, helps Barbara rediscover her voice and her identity. In the years since her memoir was first published, thousands of readers all over the world have read her book, followed her descent into hell, traveled with her along the bumpy road to recovery, and celebrated as she creates a new life. *I'm Dancing As Fast As I Can* is a strikingly honest look at a life gone off the rails. Throughout her journey, Gordon's hope and strength make her an incredible heroine worth rooting for.
