**If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Original Grin** Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

**Andy Warhol: Liz** , 2012-04-17 Andy Warhol's iconic portraits of Elizabeth Taylor are images that have lost none of their explosive power in the decades that separate the present from the moment of their making. Frequently hailed as the greatest movie star of all time, Elizabeth Taylor was a friend of Andy Warhol in the 1970s and 1980s. The personification of charisma, whose highly public life was charged with drama, tragedy, and romance, this iconic muse was a perfect vehicle for Warhol's vivid silk-screen portraiture derived from press clippings, publicity shots, and film stills. Warhol made over fifty portraits of Taylor in all her incarnations—from the ethereally beautiful child actress in National

Velvet to the commanding, voluptuous screen goddess of Cleopatra. Andy Warhol: Liz sheds light on the relationship between Warhol and one of his most notorious muses.
