

Batman Papercraft Mask Adam West Version

Julius Schwartz, Penn Jillette

Rock, Paper, Slippers Tony Shelley,2017-03-14 Rock, Paper, Slippers is a nostalgic look back at growing-up in the 60s, 70s and beyond, and laughs in the faces of our preposterous younger selves. It's an unapologetic memoir that runs from childhood memories to mid-life crisis and safely out the other side, whilst tapping into all of our pasts along the way. It's a book for anyone who has ever sniggered at references to Mrs Slocombe's pussy, dreamed of scoring the winning goal in a cup final, written their initials on a record label or stood in front of their bedroom mirror, strapped on a cricket bat guitar and sung 'Gonna Make You A Star' into a hairbrush at their pouty reflection. At the forefront of all this growing-up business is an obsession with pop music: buying it, loving it, falling out with it, making up with it again and eventually having the audacity to play it with real instruments in front of real people. Written with humour and a smattering of touching frankness, Rock, Paper, Slippers may be one man's journey to his middle years, but it forces you to recognise and celebrate your own glorious odyssey too. Recognise your age, turn another page, it's a middle-age rampage, yeah!

The Caped Crusade Glen Weldon,2017-03-21 Since his debut in Detective Comics #27, Batman has been many things: a two-fisted detective; a planet-hopping gadabout; a campy Pop Art sensation; a pointy-eared master spy; and a grim ninja of the urban night. Yet, despite these endless transformations, he remains one of our most revered cultural icons. [In this book, Weldon provides a] look at the cultural history of Batman and his fandom--Amazon.com.

Batman. Death Mask Yoshikazu Natsume,2008

The Superhero Multiverse Lorna Piatti-Farnell,2021-11 The Superhero Multiverse focuses on the evolving meanings of the superhero icon in 21st-century film and popular media, with an emphasis on re-adapting, re-imagining, and re-making. With its focus on multimedia and transmedia transformations, The Superhero Multiverse pivots on two important points: firstly, it reflects on the core concerns of the superhero narrative—including the relationship between ‘superhero comics’ and ‘superhero films’, the comics roots of superhero media, matters of canon and hybridity, and issues of recycling and stereotyping in superhero films and media texts. Secondly, it considers how these intersecting textual and cultural preoccupations are intrinsic to the process of remaking and re-adapting superheroes, and brings attention to multiple ways of materializing these iconic figures in our contemporary context.

Toys & Prices ,1999 A price guide to thousands of toys, including Beanie babies, Star wars, Hot wheels, G.I. Joe, models, banks, games, lunch boxes and restaurant premiums.
