**The Art of Painted Comics** Chris Lawrence,Alex Ross,2016-06-01 The history of painters in comics goes back to the dawn of pulp magazine covers. From The Shadow and The Spider to The Black Bat and so many other characters, painter's works have graced the covers of comics and pulps, which have influenced many artists over the decades. This deluxe coffeetable art book, edited and overseen by Alex Ross — one of the comic industry's most recognized painters, whose expertise has helped guide and define its contents — is the most important, most comprehensive prestige hardcover retrospective of the history of painters in comics, of all time.

**Original Grin** Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

**If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
