*Come Quick, Danger* Stephan Dubreuil,Canadian Coast Guard,1998 This book attempts to capture the nature and history of marine radio communications in Canada, based largely on first-person accounts, beginning from Marconi's invention and the establishment of the first commercial marine radio station in North America. The role of marine radio in protecting ships and their crews is noted throughout, including the participation of Canadian radio operators in such disasters as the sinking of the Titanic and the Empress of Ireland. Other topics covered include the establishment of marine radio networks, transatlantic communications, Coast Guard radio, marine traffic services, and radio navigation.

*The Headmaster Ritual* Taylor Antrim,2007-07-09 Taylor Antrim's novel is a darkly comic, clear-eyed look at hidden worlds whose complexities and rules can be understood only from inside: the insular hothouse of boarding school, the thorny dynamics between father and son, and the self-delusion of blind ideological commitment. Dyer Martin, a new history teacher at the prestigious Britton School, arrives in the fall ready to close the door on the failures and disappointments of his past: a disastrous first job, a broken relationship, and acute uncertainty about his future. James, a lonely senior, just wants to make it through his last year unscathed, avoiding both the brutal hazing of dorm life and the stern and unforgiving eye of his father, the school's politically radical headmaster, Edward Wolfe. Soon, however, both Dyer and James are inescapably drawn into Wolfe's hidden agenda for Britton, as the headmaster orders Dyer to set up and run a Model UN Club for students. As the United States moves steadily toward a conflict with an increasingly hostile North Korea—whose pursuit of nuclear technology is pushing the world to the brink of nuclear Armageddon—Wolfe's political fervor begins to consume him, and he sets in motion a plan that will jeopardize his job, his school, and even the life of his own son. With precisely controlled, deceptively subtle storytelling, *The Headmaster Ritual* is an insightful and captivating examination of the halting, complicated course young men must chart to shake off the influence of fathers—and father figures—while refining their convictions about the world and their place in it.

The Company Daughters Samantha Rajaram,2020-10-30 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.' Goodreads reviewer, 5 stars Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey – but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of *Girl with a Pearl Earring*, *The Miniaturist* and *The Indigo Girl*. WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What readers are saying about *The Company Daughters*: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' The passing figure, a light-skinned African-American capable and willing to pass for white, provides the thematic focus to this provocative study. *Death Waits in the Dark* Mark Edward Langley,2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it.

Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
