SEMPER FIDELIS In the year 3060, the reborn Star League has destroyed Clan Smoke Jaguar, conquered their home world Huntress, and scattered the few remaining Jaguar warriors to the winds. Now the League seeks to end the Clan invasion for good by using former Smoke Jaguars against their own people. Meanwhile, two bitter enemies seek to salvage a future for the last Jaguars in existence: Trent, who betrayed his wayward Clan to help them regain their honor, and Paul Moon, a disgraced warrior torn between his pledged loyalty to the Star League and a duty to the Smoke Jaguar civilization he was born to protect. But power-hungry predators lurk in Clan space, waiting for the right time to strike the vulnerable Star League forces. And to the victor will go the spoils: the priceless artifacts of a destroyed Clan and the sacred genetics of the final generation of Smoke Jaguar warriors. Trent and Paul Moon must fight tooth and nail against would-be conquerors to save the soul of the surviving Jaguar people before they are consigned to the annals of history. But will their divergent plans tear the survivors apart, or lead them toward freedom?

**Digital Storytelling** Carolyn Handler Miller,2014-06-27 Digital Storytelling shows you how to create immersive, interactive narratives across a multitude of platforms, devices, and media. From age-old storytelling techniques to cutting-edge development processes, this book covers creating stories for all forms of New Media, including transmedia storytelling, video games, mobile apps, and second screen experiences. The way a story is told, a message is delivered, or a narrative is navigated has changed dramatically over the last few years. Stories are told through video games, interactive books, and social media. Stories are told on all sorts of different platforms and through all sorts of different devices. They're immersive, letting the user interact with the story and letting the user enter the story and shape it themselves. This book features case studies that cover a great spectrum of platforms and different story genres. It also shows you how to plan processes for developing interactive narratives for all forms of entertainment and non-fiction purposes: education, training, information and promotion. Digital Storytelling features interviews with some of the industry's biggest names, showing you how they build and tell their stories.
