This is the most comprehensive Japan travel guide ever produced which features Tokyo's geeky underworld. It provides a comprehensive run-down of each major Tokyo district where geeks congregate, shop, play and hang out--from hi-tech Akihabara and trendy Harajuku to newer and lesser-known haunts like chic Shimo-Kita and working-class Ikebukuro. *Playing to Win* David Sirlin,2006-04-01 Winning at competitive games requires a results-oriented mindset that many players are simply not willing to adopt. This book walks players through the entire process: how to choose a game and learn basic proficiency, how to break through the mental barriers that hold most players back, and how to handle the issues that top players face. It also includes a complete analysis of Sun Tzu's book *The Art of War* and its applications to games of today. These foundational concepts apply to virtually all competitive games, and even have some application to real life. Trade paperback. 142 pages.

**Danganronpa: The Animation Volume 1** Spike Chunsoft,2016-04-05 Each year, the elite Hope's Peak Academy selects only the most gifted and talented students to enroll...plus one ordinary student, chosen by lottery. Makoto Naegi was that lucky person--or so he thought! When he shows up for class, he finds the elite students are a bizarre cast of oddballs under the ruthless authority of a robot teddy bear principal, Monokuma. The bear lays down the school rules: the only way out of Hope's Peak is to not only murder another student...but get away with it, as

every murder is followed by a tribunal where the surviving students cross-examine each other! Inspired by the Danganronpa videogame series and based on the anime of the same name, the Danganronpa manga is a quirky, fun, weird, and dynamic take on the high school Battle Royale genre.

*Ship It* Britta Lundin, 2018-05-01 CLAIRE is a sixteen-year-old fangirl obsessed with the show Demon Heart. FOREST is an actor on Demon Heart who dreams of bigger roles. When the two meet at a local Comic-Con panel, it's a dream come true for Claire. Until the Q&A, that is, when Forest laughs off Claire's assertion that his character is gay. Claire is devastated. After all, every last word of her super-popular fanfic revolves around the romance between Forest's character and his male frenemy. She can't believe her hero turned out to be a closed-minded jerk. Forest is mostly confused that anyone would think his character is gay. Because he's not. Definitely not. Unfortunately for Demon Heart, when the video of the disastrous Q&A goes viral, the producers have a PR nightmare on their hands. In order to help bolster their image within the LGBTQ+ community—as well as with their fans—they hire Claire to join the cast for the rest of their publicity tour. What ensues is a series of colorful Comic-Con clashes between the fans and the show that lead Forest to question his assumptions about sexuality and help Claire come out of her shell. But how far will Claire go to make her ship canon? To what lengths will Forest go to stop her and protect his career? And will Claire ever get the guts to make a move on Tess, the very cute, extremely cool fanartist she keeps running into? *Ship It* is a funny, tender, and honest look at all the feels that come with being a fan.

**Rescuing 0** Team 0,2021-06-23 This book is a product of a collaborative effort to rescue a trafficked girl; one of our own called 0. We had sponsored her in school to have an education hoping she would make a difference in her community and her country at large. But before she graduated, she was stolen from us and sold to traffickers. The story unfolded before our eyes like fiction and got stranger and stranger each day. As the red door into it continued to open, the more we realized the urgency of not only rescuing our own but also the many who are in bondage. We will take you behind what we have metaphorically referred to as the red door and show you the many inhuman practices we could not believe are happening in our world in this time and era.
