*The Annenbergs* John E. Cooney,1982 This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king, ' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain.--Jacket.

**Legends** Robert Littell,2020-10-06 A Brooklyn P.I. and ex-CIA agent looks for a missing man while suffering from an identity crisis in this thriller by the bestselling author of *The Company*. Martin Odum is a onetime CIA field agent turned private detective in Brooklyn, struggling his way through a labyrinth of memories and past identities—"legends" in Agency parlance. But who is Martin Odum? Is he a creation of the Legend Committee at the CIA's Langley headquarters? Is he suffering from multiple

personality disorder, brainwashing, or simply exhaustion? Widely considered one of the true grand masters of American spy fiction, Robert Littell shifts focus from the broad Cold War canvas of his international bestseller *The Company* to the life of a single CIA operative caught in a contradictory “wilderness of mirrors” in which remembering the past and forgetting it are both deadly options. From unforgettable opening to astonishing ending, *Legends* again proves Littell’s unparalleled prowess as a seductive storyteller. “Littell provides plenty of inside intelligence info in his superb new thriller, but he adds a decidedly comic spin. . . . As the bodies of his friends and clients begin to pile up, Odum searches for answers about not only the missing husband but also himself. Wonderful writing and a great sense of fun make this another winner.” —Publishers Weekly, starred review “Now and then novels come along of such originality and power that they blow me away.... [*Legends*] makes it blazingly clear that Littell’s is one of the most talented, most original voices in American fiction today.” —The Washington Post

The Sex-Starved Marriage Michele Weiner Davis, 2004-01-08 Bring the spark back into your

bedroom and your marriage with gutsy and effective advice from bestselling author Michele Weiner-Davis. It is estimated that one of every three married couples struggles with problems associated with mismatched sexual desire. Do you? If you want to stop fighting about sex and revitalize your intimate connection with your spouse, then you need this book. In *The Sex-Starved Marriage*, bestselling author Michele Weiner Davis will help you understand why being complacent or bitter about ho-hum sex might cost you your relationship. Full of moving firsthand accounts from couples who have struggled with the erosion of sexual desire and rebuilt their passionate connection, *The Sex-Starved Marriage* addresses every aspect of the sexual libido problem: If you're the more highly sexed partner, you'll breathe a sigh of relief. At last someone understands your feelings about the void in your marriage. Discover why your pleas for touch have fallen upon deaf ears and why your approach to the lull in your sexual relationship could be a sexual turnoff. Most important, learn new ways to motivate your spouse to take your needs for more physical closeness to heart. If you're the spouse with a lagging libido, you're far from alone. You'll learn about the physiological and psychological factors,

including unresolved relationship issues, that may contribute to the chill in your bedroom and what you can do to melt the ice. And if you're a man, you'll be surprised to learn that staggering numbers of men, even men whose sexual machinery works just fine, get headaches too! *The Sex-Starved Marriage* will give you and your spouse the inspiration, encouragement, and answers you need.

Badenheim Nineteen-thirty-nine Aharon Apelfeld, 1980 A tale of Europe in the days just before the war. It tells of a small group of Jewish holiday makers in the resort of Badenheim in the Spring of 1939. Hitler's war looms, but Badenheim and its summer residents go about life as normal.

*Adonais* Percy Bysshe Shelley, 1886

*The Acharnians* Aristophanes, 2021-04-25 *Acharnians* is the earliest of the existent comedies of Aristophanes, produced in 425 BCE. It is a direct attack on the folly of war. The story deals with an Athenian farmer, Dikaiopolis, who surprisingly obtains a private peace treaty with the Spartans and enjoys the benefits of peace despite resistance from some of his fellow Athenians. This drama is

celebrated for its absurd humor and its innovative appeal for an end to the Peloponnesian War.

**The Consolation of Philosophy** (translated by Walter John Sedgefield) Anicius Manlius Severinus

Boethius,2023-12-05 This carefully crafted ebook: The Consolation of Philosophy (translated by Walter John Sedgfield) is formatted for your eReader with a functional and detailed table of contents.

Consolation of Philosophy (Latin: Consolatio Philosophiae) is a philosophical work by Boethius, written around the year 524. It has been described as the single most important and influential work in the West on Medieval and early Renaissance Christianity, and is also the last great Western work of the Classical Period. Anicius Manlius Severinus Boëthius, commonly called Boethius (c. 480–524 or 525 AD), was a philosopher of the early 6th century. He was born in Rome to an ancient and prominent family which included emperors Petronius Maximus and Olybrius and many consuls. His father, Flavius Manlius Boethius, was consul in 487 after Odoacer deposed the last Western Roman Emperor. Boethius, of the noble Anicia family, entered public life at a young age and was already a senator by the age of 25. Boethius himself was consul in 510 in the kingdom of the Ostrogoths. In 522 he saw his two sons become consuls. Boethius was imprisoned and eventually executed by King Theodoric the Great, who suspected him of conspiring with the Eastern Roman Empire. While jailed, Boethius

composed his *Consolation of Philosophy*, a philosophical treatise on fortune, death, and other issues. The *Consolation* became one of the most popular and influential works of the Middle Ages.

*Current Progress in Obstetrics and Gynecology* John Studd, 2012-10-01 CPOG includes up to date articles on current developments written by international contributors of repute. CPOG is intended for Obstetricians and Gynecologists both in practice and training. It is would be highly useful book for those taking their board exams and also for MRCOG candidates.

Bergsonism Gilles Deleuze, 1988-03 In this analysis of one major philosopher by another, Gilles Deleuze identifies three pivotal concepts - duration, memory, and *lan vital* - that are found throughout Bergson's writings and shows the relevance of Bergson's work to contemporary philosophical debates. He interprets and integrates these themes into a single philosophical program, arguing that Bergson's philosophical intentions are methodological. They are more than a polemic against the limitations of science and common sense, particularly in Bergson's elaboration of the explanatory powers of the

notion of duration - thinking in terms of time rather than space.
