**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Swedish Wooden Toys** Amy Fumiko Ogata,Susan Topp Weber,2014 The Swedish toy industry has long produced vast quantities of colorful, quality wooden items that reflect Scandinavian design and craft traditions. This superbly illustrated book, including specially commissioned photography, looks at over 200 years of Swedish toys, from historic dollhouses to the latest designs for children. Featuring rattles, full-size rocking horses, dollhouses, and building blocks to skis, sleds, and tabletop games with intricate moving parts, Swedish Wooden Toys also addresses images of Swedish childhood, the role of the beloved red Dala horse in the creation of national identity, the vibrant tradition of educational toys, and the challenges of maintaining craft manufacturing in an era of global mass-production. **The Wal-Mart Effect** Charles Fishman,2006 An award-winning journalist breaks through the wall of secrecy to reveal how the world's most powerful company really works and how it is transforming the American economy.

**The Centaur** Algernon Blackwood,2022-01-04 The Centaur is a story of a man who is uncomfortable in the modern world and seeks to find the relief from this feeling. He takes vacation to get back in touch with Nature, and heads for Caucasus, the land, which he believes is not yet polluted with the imprint of progress. On his way, he encounters several individuals who argue both for and against the reality of his discomfort and the meaning behind it. Thus, the whole story turns into an opposition and, at the same time, friendship between two sorts of man: the skeptic and the dreamer. The conflict reaches its climax as the travellers see a herd of the mythical creatures, centaurs. This encounter arouses the feeling of supernatural horror. The characters feel the outside force dominating them. Yet, each handles this situation differently. Some get obsessed, while others come away with a feeling of discovered truth. A deeply philosophical novel about our inner drive to discover the mysteries of the world, that remains topical for all times.

**Interactive Multimedia Learning** Johannes Konert,2016-09-10 This book introduces new concepts and mechanisms regarding the usage of both social media interactions and artifacts for peer education in digital educational games. Digital games in general, and digital educational games in particular, represent an area with a high potential for interdisciplinary innovation, not only from an information technology standpoint, but also from social science, psychological and didactic perspectives. This book presents an interdisciplinary approach to educational games, which is centered on information technology and aims at: (1) improving digital management by focusing on the exchange of learning outcomes and solution assessment in a peer-to-peer network of learners; (2) achieving digital implementation by using forms of interaction to change the course of educational games; and (3) providing digital support by fostering group-formation processes in educational situations to increase both the effects of educational games and knowledge exchange at the individual level. In addition to a systematic analysis of the relationship between software architecture, educational games and social media applications, the book also presents the implemented IT systems' architectures and algorithmic solutions as well as the resulting applicable evaluation findings from the field of interactive multimedia learning.

**A Study In Scarlet Women** Sherry Thomas,2016-10-18 USA Today bestselling author Sherry Thomas turns the story of the renowned Sherlock Holmes upside down in the first novel in this Victorian mystery series.... With her inquisitive mind, Charlotte Holmes has never felt comfortable with the demureness expected of the fairer sex in upper class society. But even she never thought that she would become a social pariah, an outcast fending for herself on the mean streets of London. When the city is struck by a trio of unexpected deaths and suspicion falls on her sister and her father, Charlotte is desperate to find the true culprits and clear the family name. She'll have help from friends new and old—a kind-hearted widow, a police inspector, and a man who has long loved her. But in the end, it will be up to Charlotte, under the assumed name Sherlock Holmes, to challenge society's expectations and match wits against an unseen mastermind. An NPR Best Book of 2016

*Twilight Phantasies* Maggie Shayne,2014-08-01 In two centuries of living death, Eric Marquand had never once cried out against the cruel fate that had condemned him to walk forever in shadow. But then, he found the woman he knew was his chosen one--and understood that to possess her was to destroy her... Tamara Dey trembled at the aura of dread and despair that enshrouded this creature of the night. And yet, against all reason, she saw clearly that her destiny was eternally entwined with his, and that she must know--even welcome--the terror and the splendor of the vampire's kiss... For centuries, loneliness has haunted them from dusk till dawn. Yet now, from out of the darkness, shines the light of eternal life...eternal love.
