**The Waking That Kills** Stephen Gregory,2021-08-03 Answering an ad for a job as live-in tutor to a teenage boy, Christopher Beal arrives at the big, old house deep in the woods with no idea what he's getting into. His pupil is Lawrence Lundy, an odd boy who practices strange rituals by moonlight and is haunted - perhaps literally - by the spirit of his dead father. For mysterious reasons, his mother, Juliet, keeps him at home, isolated from the world. During the suffocating heat of a long summer, Christopher finds himself entangled in the madness of this strange household and must uncover a deadly secret, before it's too late ... *The Waking That Kills* is a spellbinding novel of psychological horror by one of the genre's finest contemporary practitioners, Stephen Gregory, award-winning author of the modern classic *The Cormorant*. 'An insidious novel that gets under your skin and itches

insatiably from within.' - Tor.com 'Gregory's voice and vision are wholly original.' - Ramsey Campbell

**The Adventures of the 19xx - Rise of the Black Faun** Paul Roman Martinez, 2013 Another war looms on the horizon. Not long after the end of the Great War, those who were capable of hearing it received a revelation -- another Great War was coming. This looming war would push the limits of technology, split the atom to harness the power of a small star, and bring together forces more evil than the world has ever known. A weak League of Nations banded together to form a group of adventurers, explorers, and scientists from every allied country assigned to search the globe and fight a battle far from the public eye. This group is The 19XX. All the public has been told is that they are fighting to help the Good in humanity survive the nineteen hundreds and beyond. Their mission is to track down every powerful relic, every modern or undiscovered weapon, and every magic incantation ever uttered on the Earth's crust, because the forces of Evil responsible for the next Great War would be searching for the very same things. Nothing in the realm of the tangible or intangible is off limits when the fate of the entire world is at stake.

**Original Grin** Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Swimming Studies Leanne Shapton, 2012-07-05 Winner of the 2012 National Book Critics Circle Award, Autobiography Swimming Studies is a brilliantly original, meditative memoir that explores the worlds of competitive and recreational swimming. From her training for the Olympic trials as a teenager to enjoying pools and beaches around the world as an adult, Leanne Shapton offers a fascinating glimpse into the private, often solitary, realm of swimming. Her spare and elegant writing reveals an intimate narrative of suburban adolescence, spent underwater in a discipline that continues to inspire Shapton's work as an artist and author. Her illustrations throughout the book offer an intuitive perspective on the landscapes and imagery of the

sport. Shapton's emphasis is on the smaller moments of athletic pursuit rather than its triumphs. For the accomplished athlete, aspiring amateur, or habitual practicer, this remarkable work of written and visual sketches propels the reader through a beautifully personal and universally appealing exercise in reflection.

**Craft: Volume 01** Carla Sinclair,2006-11-28 CRAFT is the first project-based magazine dedicated to the renaissance that is occurring within the world of crafts. Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

*I'm Dancing as Fast as I Can* Barbara Gordon,2011-10-01 Barbara Gordon's groundbreaking memoir tells the extraordinary story of a woman who has it all, or thinks she does-a career as an Emmy-award-winning documentary producer, a man she loves, a world of friends, and a beautiful apartment in Manhattan. But beneath the façade, Barbara's life is spinning out of control. In spite of the pills prescribed by her doctor, a nameless terror disrupting her daily life intensifies until she is besieged by crippling anxiety attacks. A formerly strong, independent, successful woman, Barbara's life becomes a nightmare of paralysis and fear. When Barbara finds herself unable to leave her apartment or walk the streets of New York alone, she decides to take charge of her life. She doesn't want pills, she wants answers. Instead of ending her fears, quitting the medicine leads to the unraveling of what she thought was her perfect life, and Barbara becomes a casualty of a flawed and inept mental health system. Barbara had often spoken for the voiceless in her films, but she suddenly finds herself powerless, without a voice of her own. Though she feels frightened and misunderstood, the tenderness and love of another young patient, Jim, helps Barbara rediscover her voice and her identity. In the years since her memoir was first published, thousands of readers all over the world have read her book, followed her descent into hell, traveled with her along the bumpy road to recovery, and celebrated as she creates a new life. *I'm Dancing As Fast As I Can* is a strikingly honest look at a life gone off the rails. Throughout her journey, Gordon's hope and strength make her an incredible heroine worth rooting for.

**20 to Knit: Dressed-up Bears** Val Pierce,2021-02-09 20 cute and cuddly dressed-up knitted bears to make with easy patterns and charming outfits!

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Reg'lar Fellers in the Army Gene Byrnes, 2015-03-09 Cartoonist Gene Byrnes (1889-1974) brought Reg'lar Fellers characters to life in 1917, and they continued to entertain newspaper readers through 1949. In 1943, two patriotic collections of Reg'lar Fellers were published honoring the Army and the Navy, with comics interspaced with official military photos of soldiers and sailors, along with their military equipment. As Byrnes noted, People, in these trying war days, must find time for more smiling.
