Pippa Dimity Powell,2019-07 Pippa is a little pigeon with big blue-sky ambitions: to fly solo and explore the world beyond her nest. Her parents are less than thrilled with their risk-taking feathered fledgling and smother her with well-meant yet suffocating warnings until one day she ignores them all, and takes the leap into the unknown...alone.

Morris, author-illustrator of the Maud the Koala books, make this a unique format with a narrative style perfect for storytime and progressing readers.

The Honeybee Man Lela Nargi, 2012-07-25 Eccentric and unusual with an appealing, gentle charm, raves Kirkus Reviews, in a starred review. Every morning, Fred climbs three flights of stairs—up to his rooftop in Brooklyn, New York—and greets the members of his enormous family: Good morning, my bees, my darlings! His honeybee workers are busy—they tend the hive, feed babies, and make wax rooms. They also forage in flowers abloom across Brooklyn... so that, one day, Fred can make his famous honey, something the entire neighborhood looks forward to tasting. Lela Nargi’s beautifully written story—accompanied by Kyrsten

Brooker's collage-style illustrations—offers an inside look at the life of an endearing beekeeper and the honey-making process. A Junior Library Guild Selection, a Bank Street College of Education Best Book of the Year, a Cook Prize Honor Book, and a NSTA-CBC Outstanding Science Trade Book.

How the Birds Got Their Colours Mary Albert, 2011 This book is based on a story told by Mary Albert, of the Bardi people, to Aboriginal children living in Broome, Western Australia. My mother used to tell me lots of stories, but this story I loved the best, because I loved the birds.'

AUNT LILLYS LAUNDROMAT Melanie Hope

Greenberg,2016-08-29 Aunt Lilly thinks about her island home, Haiti, and paints colorful pictures of the island while she takes care of the laundry for her neighbors in Brooklyn. Aunt Lilly works in a Brooklyn laundromat, sorting, washing, drying and folding, all the while thinking about her childhood in Haiti. Bundles of colored laundry ('blues and greens like the warm Caribbean sea'), gurgling washing machines, etc., conspire to remind her of 'her lovely native land filled with singing birds.' Lilly is happy, taking pride in her

work, and when she has a quiet moment she makes paintings based on her childhood memories. Busy illustrations in bold, luminous colors capture Lilly's joie de vivre. 'Her' Haitian pictures, full of exuberance and tropical abundance, transform her sweet longing into canvases of pulsing island life. Greenberg's work has a childlike zest and, at the same time, is imbued with a strong sense of order and design. Her book succeeds as a celebration of fond memory and honest labor. Ages 4-8. --PUBLISHER'S WEEKLY

Modern Paper Crafts Margaret Van Sicklen, 2011-04-01 In *Modern Paper Crafts*, well-known origami guru Margaret Van Sicklen blows the dust off traditional origami and paper crafting, presenting more than 20 projects that rely on classic paper craft techniques, but are suited to 21st-century style and aesthetics. The suite of contemporary projects in *Modern Paper Crafts* ranges from gift wrap, holiday ornaments, and note cards to frames, boxes, bowls, silhouettes, wall art, mobiles, and even a folding screen.

Projects are divided into five chapters: folding, cutting, scoring and sculpting, pleating, and recycling. Each chapter begins with an overview and step-by-step photo tutorials of basic techniques, and each project includes step-by-step instructions and illustrations. A variety of papers are used for the projects, from standard cardstock and scrapbooking paper to art papers and recycled corrugated cardboard. All of the projects are accessible to the novice paper crafter but will also appeal to the more advanced crafter.
