*If Anything Happens I Love You* Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

*I Guarantee It* George Zimmer,2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: “I guarantee it.” Zimmer rode his promise to lead the Men’s Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer’s rise, the fall of the Men’s Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: “I guarantee it,” he said, and it was ironclad. By the millions, customers walked into The Men’s Wearhouse stores in all fifty states and Canada, where they received “quality, service, and a good price,” where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men’s specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer’s ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It’s a story that will teach and inspire. He guarantees it.

**The Himmler Brothers** Katrin Himmler,2012-05-31 Katrin Himmler’s cool but meticulous examination of the Himmler story reveals – in all its dark complexity – the gulf between the ‘normality’ of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth- century’s most notorious killers – not a lone evil executioner, but a middle-class family man, loved and fully supported by his respectable German family. It also offers a unique account of one women’s courageous attempt to deal with her chilling inheritance. ‘It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle-class background of these three sons of a rather pompous provincial headmaster and to see how, right until the end, he was almost able to convince himself it hadn't happened like it had' Sunday Times ‘You get a vivid sense of a particular kind of German conservatism - Roman Catholic, monarchist - and of how, weirdly, it found an outlet in the upstart, part-pagan thuggery of Nazism’ Independent ‘One can only admire her bravery . . . In a way, Katrin Himmler's book is not a story about the past, but one about the present. The most interesting details are the ones she gives of her own quest’ Daily Telegraph

Based on hard science, it works without constantly dieting for days, weeks, and months at a time... without planning special meals...without counting calories... and without needing to exercise.The idea behind this diet was first discovered by professional athletes (who wanted to lose body fat without starving or feeling tired) and then perfected for women by a world-class diet expert.In fact, it's not unusual to lose 2-5 pounds the first day and up to 30 pounds the first month without fat returning. The Best Part? You're only allowed to do the diet 1-3 days per week. The rest of the week you can eat all your favorite foods (even bad foods) as long as you follow a few simple guidelines. Some of the secrets in this fascinating book include:The science behind why it's almost impossible to fail here. (Even if everything else hasn't worked.) - How to diet 1 day a week to KEEP fat off forever. (No yo-yo effect or worrying about fat creeping back on.) - A simple 5-minute exercise that can double your weight loss speed on the 1-Day Diet. (Millions of people are pre-diabetic and don't even know it.) - Why typical dieting and exercise are often no match for CRAZY, out-of-control hormones... and how to fix your hormones so weight loss follows. - The culprit found in processed foods at a rate of 1,000,000 times higher than estrogen found in women's breasts! A disaster for weight loss. - How our foods became so nutritionally empty that it now takes 26 of this fruit to equal the nutrition of 1 of them from 1914! - You know second-hand smoke is bad for you, right? Well, this common food is like the equivalent of second-hand smoke. Bad news... and you're eating it without even knowing it. - Women hold fat because they have 1,000 TIMES the concentration of these versus men (a big reason why women usually have a harder time losing weight). - This cheap substance has 84 different minerals... the version you probably get has only 2.
