Papertoy Monsters Brian Castleforte, 2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Expressive Anatomy for Comics and Narrative: Principles and Practices from the Legendary Cartoonist Will Eisner, 2008-08-17 The final volume of Will Eisner's celebrated instructional trilogy explores the critical principle of body grammar in comics storytelling. Designed and outlined by Will Eisner before his death in 2005, this posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner's own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. From his earliest comics, including the celebrated *Spirit*, to his pioneering graphic novels, Eisner understood that the proper use of anatomy is crucial to effective storytelling. His control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. Buttressed by dozens of illustrations, which display Eisner's mastery of expression, both subtle and overt, *Expressive Anatomy for Comics and Narrative* will benefit comics fans, students, and teachers and is destined to become the essential primer on the craft.

Silencing the Past Michel-Rolph Trouillot, 2015-03-17 Now part of the HBO docuseries *Exterminate All the Brutes*, written and directed by Raoul Peck The 20th anniversary edition of a pioneering classic that explores the contexts in which history is produced—now with a new foreword by renowned scholar Hazel Carby Placing the West's failure to acknowledge the Haitian Revolution—the most successful slave revolt in history—alongside denials of the Holocaust and the debate over the Alamo, Michel-Rolph Trouillot offers a stunning meditation on how power operates in the making and recording of history. This modern classic resides at the intersection of history, anthropology, Caribbean, African-American, and post-colonial studies, and has become a staple in college classrooms around the country. In a new foreword, Hazel Carby explains the book's enduring importance to these

fields of study and introduces a new generation of readers to Trouillot's brilliant analysis of power and history's silences.

The Mystery Hat Rune Brandt Bennicke, 2014-11-25 Crow, Pig, and Beaver are taking a nice stroll in the woods when they come across a red hat sitting in a puddle. Whose hat is it? What mysterious circumstances could have brought it to this very puddle? Crow thinks that Bear lost the hat when he fell into a giant hole. Perhaps Bear is holding his breath underground, waiting to be saved! Beaver thinks he's got a better idea. Maybe Turtle, who was wearing the hat, was snatched up and made into yummy turtle soup by a crazed snowman! Can Pig come up with a logical explanation so that the friends can be rid of all these hogwash ideas? Imaginations run wild in this hilarious picture book from Rune Brandt Bennicke and Jakob Hjort Jensen. The Mystery Hat is sure to get a chuckle from all during the cold winter months. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Papa! Philippe Corentin, 1997 Papa! Papa! There's a monster in my bed! But just who exactly is the monster in this story? Children and parents alike will giggle as they learn that monsters come in all different shapes and sizes.

The Himmler Brothers Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals – in all its dark complexity – the gulf between the 'normality' of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth-century's most notorious killers – not a lone evil executioner, but a middle-class family man, loved and fully supported by his respectable German family. It also offers a unique account of one woman's courageous attempt to deal with her chilling inheritance. 'It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle-class background of these three sons of a rather pompous provincial headmaster and to see how, right until the end, he was almost able to convince himself it hadn't happened like it had' Sunday Times 'You get a vivid sense of a particular kind of German conservatism - Roman Catholic, monarchist - and of how, weirdly, it found an outlet in the upstart, part-pagan thuggery of Nazism' Independent 'One can only admire her bravery . . . In a way, Katrin Himmler's book is not a story about the past, but one about the present. The most interesting details are the ones she gives of her own quest' Daily Telegraph

Vinland Saga Makoto Yukimura,2015-09-29 WITHIN THE KING'S GRASP As Canute plots to become ruler of the entire Danish world, Thorfinn's only ambition is to see a harvest profitable enough to buy his own life back. But the fates of prince and slave will come together once again, as Canute plans to seize Ketil Farm from its kindhearted master. What sinister tricks does the have up his sleeve, and could they dash Thorfinn's hopes for freedom? Meanwhile, Einar's infatuation with Arnheid takes an unexpected turn when her former husband – an escaped slave – barges onto the farm, insisting she run away with him... A fascinating, violent, and moving story [that's] firmly among other timeless classics... Seriously, I don't know how many different ways I can say this manga is worth reading. -Kotaku

Manhattan Beach, 1957 Yves H.,2003 John Reed is bored with his life and his uneventful police career in a sleepy town in Missouri, until a girl is found dead in the nearby forest. The event triggers John's suppressed memories of the summer of 1957, when he was on his way to Las Vegas and crossed paths with a girl that was on the run, trying to get to the resort at Manhattan beach. They traveled together for a few days by stealing cars, until the police and her uncle caught up to them, with tragic results. As he investigates the brutal murders of several young girls, the past and present begin to blur in his mind.
