Race and Excellence Ezra E. H. Griffith, M.D.,2022-09-13

Graduate of Harvard Medical School, president of the American Board of Psychiatry and Neurology, founding national chair of the Black Psychiatrists of America: the list of Chester Pierce's accomplishments alone cement him as a luminary in the field--and that is before one considers how foundational his theories about racism as an environmental pollutant are to modern mental health. Reprinted with a new introduction, this collection of interactive conversations between Ezra Griffith and Pierce sheds light on the man behind the impressive titles and oft-cited theories. Focusing on different stages of Pierce's life and career, it traces his path of achievement in the face of obstacles both individual and institutional. What emerges is more than just a revealing portrait of one particularly determined and talented man. It is a chronicle that illustrates distinct methods of coping with the stress of racial discrimination and new ways to approach narrative stories about Black lives that will prove illuminating to anyone interested in gaining a greater understanding of how to evaluate the salience of race matters in people's lives.

Problem Glyphs ,2017-07-09 100 glyohs from Eliza Gauger's Problem Glyphs project.

Juanita and the Frog Prince Ed McClanahan,2020 A miscreant, misanthrope, and misfit, two-nosed Luther Jukes lands in jail for murdering a man who insulted his froglike facial features. As Luther schemes in his cell, hoosegow scullery maid Juanita Sparks frets over an unwanted pregnancy. But there may be a bit of magic that can sort out this mess. In the style of underground comix, Ed McClanahan and J. T. Dockery present Juanita and the Frog Prince, an outrageous tale adapted from McClanahan's novella of the same name, originally published in A Congress of Wonders. Set in 1940s Kentucky, Juanita features a cast of characters trying to get ahead at all costs, including the Right Reverend Philander Cosmo Rexroat, redheaded rich boy Warren Harding Skidmore, and Bad-Cess Sallie Jukes, the town apothecary rumored to have access to sinister forces. Rendered in bold strokes of ink that swirl from panel to panel, Luther's and Juanita's stories

become further entangled until, in desperation, they attempt to harness the power of a lucky toadstone to create their own fairytale ending -- or do they? Juanita and the Frog Prince is a southern Gothic psychedelic trip of a comic that will enrapture readers until the stroke of midnight -- and the final KLANG of the clocktower bell.

With a lilting, rhyming text, colorful illustrations, and a recipe for baking your own sun bread, this tasty treat from the illustrator of the best-selling *Abuela* is just right for all ages to enjoy.
