*Althusser and Law* Laurent de Sutter,2013-03-05 Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

*Grandad Mandela* Ambassador Zindzi Mandela,Zazi and Ziwelene Mandela,Zondwa Mandela,2018-06-28 ...profoundly moving... - Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

But as her grandmother's health deteriorates, Roonie becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Roonie to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Roonie meets an active senior recovering from a bad fall. Their shared love of dance and the woman's zest for life help Roonie face her fears, make amends with Kira and reconnect with Gram before it's too late.

**Conquer the Crash** Robert R. Prechter, Jr.,2009-11-20 Today's financial and economic tribulations were a long time in the making. Many people ask, Why didn't someone see it coming? A New York Times bestselling book did see it coming. Over 100,000 people read it in time to protect their wealth. The book foresaw and explained the collapse in home prices, plunge in stocks, subprime debacle, liquidity crisis, the demise of Fannie and Freddie, the Federal Reserve's failure to turn the trend, and lots more. The book was Robert Prechter's Conquer the Crash, published in early 2002, when the Dow was above 10,000 and the financial world was partying around-the-clock. Fast forward to today: the average U.S. homeowner has suffered a decline of 30% to 40% in property value. Stocks and commodities had their biggest fall since 1929-1932. Fannie Mae is a zombie corporation under the government's protection. The Fed has pushed every button at its disposal (and then some), to no avail. If Prechter thought a whole new book would help, he'd have written one. But Conquer the Crash is a book-length forecast that's still coming true -- only some of the future has caught up with the specific predictions he published back then. There is much more to come. That means more danger, but also great opportunity. Conquer the Crash, 2nd edition offers you 188 new pages of vital information (480 pages total) plus all the original forecasts and recommendations that make the book more compelling and relevant than the day it published. In every disaster, only a very few people prepare themselves beforehand. Think about investor enthusiasm in 2005-2008, and you'll realize it's true. Even fewer people will be ready for the soon-approaching, next leg down of the unfolding depression. In this 2nd edition, Prechter gives a warning he's never had to include in 30 years of publishing -- namely, that the doors to financial safety are closing all over the world. In other words, prudent people need to act while they can. Conquer the Crash, 2nd Edition readers will receive exclusive online access to the Conquer the Crash Readers Page, where Prechter continually updates the book's recommended services and institutions.

*America's Promise* Celeste de Blasis,2021-07-08 A gripping, heart-wrenching story of love and betrayal across the boundary of the American Revolutionary War. The next captivating story for readers who loved My Dear Hamilton, Flight of the Sparrow and Outlander. 1780. Addie looks around at the soldiers celebrating their latest victory. American independence is within reach, but her heart feels heavy with grief. With her husband gone, she must leave the army camp, and the people she has come to love, and choose a respectable path to guard the secret she now carries alone. Seeking shelter with her aunts in Virginia, Addie tries to mold herself back into the proper and dutiful woman she was before the war, and before the love of a fierce, dark-eyed warrior, changed her forever. But when a band of rogue British soldiers arrives on the farm, will the strength she has gained from travelling with the Revolutionary army be enough to save her loved ones? Fighting turmoil in Virginia, Addie faces an even worse trial when terrible news arrives from the front: should she stay silent and keep her family safe, or divulge her secret and save an innocent man's life? The heartbreaking conclusion to the epic, emotional trilogy. Readers love Celeste De Blasis: UNPUTDOWNABLE!... If I could give it more stars I would give it more!
