**David Cardell**

**Rick Steves England** Rick Steves,2024-09-17 From exploring the scenic bays of Cornwall to diving into history at Hadrian's Wall, this excellent travel resource provides all the strategic advice and up-to-date information needed for planning a trip to England.

**Billionaire Boy** David Walliams,2011-06-09 A hilarious, touching and extraordinary fable from David Walliams, number one bestseller and fastest growing children's author across the globe, with EXCLUSIVE audio and video from David Walliams

**That's Another Story** Julie Walters,2009-04-16 The number-one Sunday Times bestseller 'Walters's book - also well written - has moments of Alan Bennett warmth' SUNDAY TIMES 'This is a humorous and, at times, moving read from this much-loved actress' WOMAN AND HOME 'I was enthralled by her memoirs ... a celebrity memoir which is actually worth reading as a work of literature' AN Wilson, READER'S DIGEST Her mum wanted her to be a nurse so that is what Julie did. But in her heart she had always wanted to be an actress and soon she was on stage at the local theatre in Liverpool. Her career snowballed with highlights that include Educating Rita, Billy Elliot, Harry Potter, Acorn Antiques, Dinner Ladies and Mamma Mia! She has been nominated for two Oscars, been awarded multiple BAFTAs and a Golden Globe, plus been honoured with a DBE. This is the heart-warming and funny story of that journey.

**National Identity, Popular Culture and Everyday Life** Tim Edensor,2020-06-15 The Millennium Dome, Braveheart and Rolls Royce cars. How do cultural icons reproduce and transform a sense of national identity? How does national identity vary across time and space, how is it contested, and what has been the impact of globalization upon national identity and culture?This book examines how national identity is represented, performed, spatialized and materialized through popular culture and in everyday life. National identity is revealed to be inherent in the things we often take for granted - from landscapes and eating habits, to tourism, cinema and music. Our specific experience of car ownership and motoring can enhance a sense of belonging, whilst Hollywood blockbusters and national exhibitions provide contexts for the ongoing, and often contested, process of national identity formation. These and a wealth of other cultural forms and practices are explored, with examples drawn from Scotland, the UK as a whole, India and Mauritius. This book addresses the considerable neglect of popular cultures in recent studies of nationalism and contributes to debates on the relationship between 'high' and 'low' culture.

**Considering and Evaluating Airport Privatization** Sheri Ernico,2012 TRB's Airport Cooperative Research Program (ACRP) Report 66: Considering and Evaluating Airport Privatization addresses the potential advantages and disadvantages of implementing various approaches to airport privatization.

**How Magicians Think** Joshua Jay,2021-09-28 Professional magician Joshua Jay's (author of Magic: The Complete Course) brief and fascinating essays offer an inside look at how the very best magicians think about magic, how they practice and put together a show, what inspires them, and the psychology behind creating wonder and being tricked when we expect both, as well as why we seek magic in the first place.

**Jelly Mongers** Sam Bompas,Harry Parr,2011 Bompas and Parr are purveyors of wildly creative gelatin delights and present some of their finest recipes here. These treats are known as gelatin in the U.S., but are commonly called jelly elsewhere.

**Johannes Cabal the Necromancer** Jonathan L. Howard,2009-07-07 The page-turning first novel in the charmingly gothic, fiendishly funny Faustian series about a brilliant scientist who makes a deal with the Devil, twice. • The spot-on work of a talented writer. —The Denver Post Johannes Cabal sold his soul years ago in order to learn the laws of necromancy. Now he wants it back. Amused and slightly bored, Satan proposes a little wager: Johannes has to persuade one hundred people to sign over their souls or he will be damned forever. This time for real. Accepting the bargain, Jonathan is given one calendar year and a traveling carnival to complete his task. With little time to waste, Johannes raises a motley crew from the dead and enlists his brother, Horst, a charismatic vampire to help him run his nefarious road show, resulting in mayhem at every turn.

**Morrissey** Kevin Cummins,2018-09-06 'One of the greatest music photographers of all time...this book is indispensable to anyone who is a fan of Morrissey, or of great photography ' Classic Pop magazine 'Unsurprisingly, given Cummin's history, the photographs are beautifully composed, from the live shots with their webbing of shredded shirts and outstretched arms to the lyrical portraits on staircases or Japanese streets' Q Magazine Taken by renowned photographer Kevin Cummins and featuring hundreds of previously unseen images, *Alone and Palely Loitering* chronicles Morrissey's world as he emerged from The Smiths and established himself as a solo artist. Breathtaking photographs cover chaotic live performances, intimate portrait sessions and snatched moments backstage and on tour over a ten-year period. Cummins provides insightful commentary on the art of photography and what it was like to work and travel with Morrissey. The book also includes portraits of fans around the world with Morrissey-inspired tattoos, featuring an essay by literary academic Dr Gail Crowther exploring how this art form is used to display devotion to a unique musician.

**Folk Devils and Moral Panics** Stanley Cohen,2011 'Richly documented and convincingly presented' -- New Society Mods and Rockers, skinheads, video nasties, designer drugs, bogus asylum seekers and hoodies. Every era has its own moral panics. It was Stanley Cohen's classic account, first published in the early 1970s and regularly revised, that brought the term 'moral panic' into widespread discussion. It is an outstanding investigation of the way in which the media and often those in a position of political power define a condition, or group, as a threat to societal values and interests. Fanned by screaming media headlines, Cohen brilliantly demonstrates how this leads to such groups being marginalised and vilified in the popular imagination, inhibiting rational debate about solutions to the social problems such groups represent. Furthermore, he argues that moral panics go even further by identifying the very fault lines of power in society. Full of sharp insight and analysis, *Folk Devils and Moral Panics* is essential reading for anyone wanting to understand this powerful and enduring phenomenon. Professor Stanley Cohen is Emeritus Professor of Sociology at the London School of Economics. He received the Sellin-Glueck Award of the American Society of Criminology (1985) and is on the Board of the International Council on Human Rights. He is a member of the British Academy.

**Rick Steves' London** Rick Steves,Gene Openshaw,2005-01-01 Rick spends four months each year exploring Europe, and his candid, humorous advice will steer you to the very best sights and museums that London has to offer. You'll beat the lines at the major monuments. You'll find hotels and restaurants that make the most of your vacation budget. You'll navigate the city like a local, using Rick's walking tours as your guide.

**Family theme parks, happiness and children's consumption: From roller-coasters to Pippi Longstocking** David Cardell,2016-09-24 This book provides an ethnographic contribution to research on children's consumption, family life and happiness. Various and shifting notions of happiness are explored, as well as conditions for and challenges to happiness, through an analysis of video-recorded interviews and mobile ethnography conducted in two of the most popular theme parks in Sweden. Initially, the study outlines how previous research has conceptualized happiness in association with time and place in a rather static way. Based on a treatise of notions of happiness in philosophy and the social sciences, there is a turn in this thesis towards practice. It generates fundamental knowledge about the complexity of happiness. By employing this approach, it is possible to highlight how happiness is enacted as part of and in relation to ideals of family life, time, childhood, money, consumption, experiences and material things. As we explore the practices of children and their families, we discover that shifting meanings of happiness are located in contemporary culture, where emotions and consumption are of central importance. The approach is interdisciplinary, and draws on theoretical and methodological contributions in sociology, anthropology and Science and Technology Studies (STS). Notions of meshwork and enactment become important for the exploration of happiness as a complex and changing matter, which productively involves social relations and material things. Throughout the thesis there is a dialogue with previous research on happiness, consumption and childhood which highlights the importance of

exploring messy practices, in movement. It is argued that explorations of practice contribute to a critical understanding of how happiness and contemporary ideals of childhood can be approached – through consumption and as part of citizenship in a consumer society where happiness is of central importance. Abstract [sv] Denna avhandling utgör ett etnografiskt bidrag till forskning om barns konsumtion, familjeliv och lycka. Genom en analys av videoinspelade intervjuer samt familjebesök till två av Sveriges mest välbesökta temaparker utforskas skiftande betydelser av lycka, liksom dess förutsättningar och utmaningar. Tidigare temaparks-forskning har generellt tagit lyckans existens för given. Utifrån en inledande diskussion om bland annat olika filosofiska och samhällsvetenskapliga lyckoteorier argumenterar avhandlingen för att studier av praktik tillför ny och grundläggande kunskap om lyckans komplexa sammansättningar. Avhandlingen visar därigenom att lycka iscensätts som en del av – och i förhållande till – ideal om familjeliv, tid, barndom, pengar, konsumtion, upplevelser och materiella ting. Genom att fokusera på barn och deras familjers praktiker lokaliseras lyckans skiftande betydelser i en samtidskultur där emotioner och konsumtion är centrala. Avhandlingens ansats är tvärvetenskaplig och hämtar teoretisk och metodologisk inspiration från sociologi, antropologi samt teknik- och vetenskapsstudier (STS). Genom denna ansats synliggörs sammanflätningar av sociala relationer och materiella ting som produktiva i iscensättandet av lycka. Genom en dialog mellan empiriska beskrivningar och forskning om lycka, konsumtion och barndom belyser avhandlingen nödvändigheten av att synliggöra och utforska rörliga och rörliga praktiker. Det bidrar till en kritisk förståelse av praktik som kan förändra hur vi närmar oss lycka och samtida barndomsideal – som konsumenter och medborgare i ett lyckosträvande konsumtionssamhälle.

**Hine's Varieties** Phil Hine, 2019-11 From world famous occultist Phil Hine comes this amazing collection of esoteric essays. Divided thematically into sections -- Chaos Magic, Tantra, Sexualities, Practice, Paganisms, Histories, and Fiction -- each section is prefaced by new autobiographical writings in which the author reflects on the early beginnings of his magical path, and how his perspectives have changed over time. With content ranging from explorations of esoteric practice, magical sexuality and independent scholarship, Hines Varieties offers a unique window into the life and spiritual journey of a master magician.

**Regional Success After Brexit** David Hearne, Alex de Ruyter, 2019-05-01 The ebook edition of this title is Open Access, thanks to Knowledge Unlatched funding, and freely available to read online. This book examines the metrics used to evaluate regional performance within the UK, arguing that the post-Brexit context is an opportune moment to reappraise the techniques used to measure this.

Pathways to Recovery and Desistance David Best, 2019-09-04 Available Open Access under CC-BY-NC licence. This is the first book that uses the latest research evidence to build guidance on community-based rehabilitation with the aim of challenging stigma and marginalisation. The case studies discussed, and a strengths-based approach, emphasize the importance of long-term recovery and the role that communities and peers play in the process. Best examines effective methods for community growth, offers sustainable ways of promoting social inclusion and puts forward a new drug strategy and a new reform policy for prisons.

*Chase's Calendar of Events, 2011 Edition* Editors of Chase's Calendar of Events, 2010-10-18 Chase's Calendar of Events is the most comprehensive and authoritative reference available in the world on special days, weeks, and months. Indispensable CD-ROM holds all the book's 12,500 entries. Unique reference in the marketplace acclaimed by the Wall Street Journal, Library Journal, Christian Science Monitor, Los Angeles Times, and the Washington Post.

*Pirate Cinema* Cory Doctorow, 2012-10-02 From the New York Times bestselling author of Little Brother, Cory Doctorow, comes Pirate Cinema, a new tale of a brilliant hacker runaway who finds himself standing up to tyranny. Trent McCauley is sixteen, brilliant, and obsessed with one thing: making movies on his computer by reassembling footage from popular films he downloads from the net. In the dystopian near-future Britain where Trent is growing up, this is more illegal than ever; the punishment for being caught three times is that your entire household's access to the internet is

cut off for a year, with no appeal. Trent's too clever for that too happen. Except it does, and it nearly destroys his family. Shamed and shattered, Trent runs away to London, where he slowly learns the ways of staying alive on the streets. This brings him in touch with a demimonde of artists and activists who are trying to fight a new bill that will criminalize even more harmless internet creativity, making felons of millions of British citizens at a stroke. Things look bad. Parliament is in power of a few wealthy media conglomerates. But the powers-that-be haven't entirely reckoned with the power of a gripping movie to change people's minds.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Awful Auntie** David Walliams, 2016 From number one bestselling author David Walliams comes another heartfelt but hilarious hoot of an adventure Stella Saxby is the sole heir to Saxby Hall. But awful Aunt Alberta and her giant owl will stop at nothing to get it from her. Luckily Stella has a secret - and slightly spooky - weapon up her sleeve...

Christmas in America Penne L. Restad, 1996-12-05 The manger or Macy's? Americans might well wonder which is the real shrine of Christmas, as they take part each year in a mix of churchgoing, shopping, and family togetherness. But the history of Christmas cannot be summed up so easily as the commercialization of a sacred day. As Penne Restad reveals in this marvelous new book, it has always been an ambiguous meld of sacred thoughts and worldly actions-- as well as a fascinating reflection of our changing society. In *Christmas in America*, Restad brilliantly captures the rise and transformation of our most universal national holiday. In colonial times, it was celebrated either as an utterly solemn or a wildly social event--if it was celebrated at all. Virginians hunted, danced, and feasted. City dwellers flooded the streets in raucous demonstrations. Puritan New Englanders denounced the whole affair. Restad shows that as times changed, Christmas changed--and grew in popularity. In the early 1800s, New York served as an epicenter of the newly emerging holiday, drawing on its roots as a Dutch colony (St. Nicholas was particularly popular in the Netherlands, even after the Reformation), and aided by such men as Washington Irving. In 1822, another New Yorker named Clement Clarke Moore penned a poem now known as 'Twas the Night Before Christmas, virtually inventing the modern Santa Claus. Well-to-do townspeople displayed a German novelty, the decorated fir tree, in their parlors; an enterprising printer discovered the money to be made from Christmas cards; and a hodgepodge of year-end celebrations began to coalesce around December 25 and the figure of Santa. The homecoming significance of the holiday increased with the Civil War, and by the end of the nineteenth century a full-fledged national holiday had materialized, forged out of borrowed and invented custom alike, and driven by a passion for gift-giving. In the twentieth century, Christmas seeped into every niche of our conscious and unconscious lives to become a festival of epic proportions. Indeed, Restad carries the story through to our own time, unwrapping the messages hidden inside countless movies, books, and television shows, revealing the inescapable presence--and ambiguous meaning--of Christmas in contemporary culture. Filled with colorful detail and shining insight, *Christmas in America* reveals not only much about the emergence of the holiday, but also what our celebrations tell us about ourselves. From drunken revelry along colonial curbstones to family rituals around the tree, from Thomas Nast drawing the semiofficial portrait of St. Nick to the making of the film *Home Alone*, Restad's sparkling account offers much to amuse and ponder.

Privilege and Property Ronan Deazley, Martin Kretschmer, Lionel Bently, 2010 What can and can't be copied is a matter of law, but also of aesthetics, culture, and economics. The act of copying, and the creation and transaction of rights relating to it, evokes fundamental notions of communication and censorship, of authorship and ownership - of privilege and property. This volume conceives a new history of copyright law that has its roots in a wide range of norms and practices. The essays reach back to the very material world of craftsmanship and mechanical inventions of Renaissance Italy where, in 1469, the German master printer Johannes of Speyer obtained a five-year exclusive privilege to print in Venice and its dominions. Along the intellectual journey that follows, we encounter John Milton who, in his 1644 Areopagitica speech 'For the Liberty of Unlicensed Printing', accuses the English parliament of having been deceived by the 'fraud of some old patentees and

monopolizers in the trade of bookselling' (i.e. the London Stationers' Company). Later revisionary essays investigate the regulation of the printing press in the North American colonies as a provincial and somewhat crude version of European precedents, and how, in the revolutionary France of 1789, the subtle balance that the royal decrees had established between the interests of the author, the bookseller, and the public, was shattered by the abolition of the privilege system. Contributions also address the specific evolution of rights associated with the visual and performing arts. These essays provide essential reading for anybody interested in copyright, intellectual history and current public policy choices in intellectual property. The volume is a companion to the digital archive Primary Sources on Copyright (1450-1900), funded by the UK Arts and Humanities Research Council (AHRC): [www.copyrighthistory.org](http://www.copyrighthistory.org).
