Rain of the Ghosts Greg Weisman,2013-12-03 Rain of the Ghosts is the first in Greg Weisman's series about an adventurous young girl, Rain Cacique, who discovers she has a mystery to solve, a mission to complete and, oh, yes, the ability to see ghosts. Welcome to the Prospero Keys (or as the locals call them: the Ghost Keys), a beautiful chain of tropical islands on the edge of the Bermuda Triangle. Rain Cacique is water-skiing with her two best friends Charlie and Miranda when Rain sees her father waiting for her at the dock. Sebastian Bohique, her maternal grandfather, has passed away. He was the only person who ever made Rain feel special. The only one who believed she could do something important with her life. The only thing she has left to remember him by is the armband he used to wear: two gold snakes intertwined, clasping each other's tails in their mouths. Only the armband . . . and the gift it brings: Rain can see dead people. Starting with the Dark Man: a ghost determined to reveal the Ghost Keys' hidden world of mystery and mysticism, intrigue and adventure.

Spirits of Ash and Foam Greg Weisman,2014-07-08 Welcome to the Prospero Keys (or as the locals call them: the Ghost Keys), the beautiful chain of tropical islands on the edge of the Bermuda Triangle where Rain Cacique lives. When Rain's maternal grandfather passed away, he left her his special armband: two gold snakes intertwined, clasping each other's tails in their mouths. Rain soon discovers that the armband is actually a zemi – a very powerful talisman created by the island's native Arawak Taino Indians – and that it allows Rain to see ghosts, including her own grandfather who is determined to help her uncover the Ghost Keys' hidden world of mystery and mysticism, intrigue and adventure. Now, Rain Cacique's looking for a few answers – and the second zemi, a Taino relic that allows her to see dead people. But it's the first week of school, so she's pretty busy juggling teachers, homework, baby-sitting duties, new friends, missing tourist kids... and a vampire with a tribal twist. *Spirits of Ash and Foam* is the second installment in Greg Weisman's Rain of the Ghosts series.

The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Average Is Over Tyler Cowen, 2013-09-12 Renowned economist and author of Big Business Tyler Cowen brings a groundbreaking analysis of capitalism, the job market, and the growing gap between the one percent and minimum wage workers in this follow-up to the New York Times bestseller The Great Stagnation. The United States continues to mint more millionaires and billionaires than any country ever. Yet, since the great recession, three quarters of the jobs created here pay only marginally more than minimum wage. Why is there growth only at the top and the bottom? Economist and bestselling author Tyler Cowen explains that high earners are taking ever more advantage of machine intelligence and achieving ever-better results. Meanwhile, nearly every business sector relies less and less on manual labor, and that means a steady, secure life somewhere in the middle—average—is over. In Average is Over, Cowen lays out how the new economy works and identifies what workers and entrepreneurs young and old must do to thrive in this radically new economic landscape.

Blue Sky God Don MacGregor, 2012-07-27 Blue Sky God interprets some new scientific theories with blue sky thinking to bring radical insights into God, Jesus and humanity, drawing also on some deep wells from the past in the writings of the early Christians. In an accessible style, it looks at science research and theories in areas such as quantum physics and consciousness, epigenetics, morphic resonance and the zero point field. From there, seeing God as the compassionate consciousness at the ground of being, it draws together strands to do with unitive consciousness and the Wisdom way of the heart. Throughout, it seeks to encourage an evolution in understanding of the Christian message by reinterpreting much of the theological language and meaning that has become 'orthodoxy' in the West. In doing so, it challenges many of the standard assumptions of Western Christianity. It outlines a spiritual path that includes elements from all of the world's great religions, is not exclusive, and yet has a place of centrality for Jesus the Christ as a Wisdom teacher of the path of transformative love. ,
